

OCCUPATIONAL THERAPY ASSISTANT PROGRAM QUALIFICATIONS

(Effective Academic Year 2008 - 2009)

The first applicants to meet qualification for English 100 and Math 24 (or higher) on the COMPASS placement test will be accepted until the quota is met for the Occupational Therapy Assistant program. Evidence of completion for ENG 100 and MATH 24 courses are accepted in lieu of placement test results. You may submit your application to Health Sciences department (see OTA Program Director or Health Sciences counselor for academic advising and support).

Develop an academic action plan with a Health Sciences counselor *if you do not meet the minimum qualifications for acceptance or need more time to prepare for the OTA program.* Students may enroll in the OTA general education requirements and program support courses.
