

Kapi'olani Community College

CONTINUOUS IMPROVEMENT REPORT

Staff Council

2018-2019 Academic Year

What successes does your data reflect?

- Staff enjoy events hosted and attended by staff
- Staff representation and participation in campus-wide policy decision making is increasing
- Staff understand the role of Staff Council
- Staff are given opportunities to provide input on decisions that affect them

What goals emerge from the data?

- Increased engagement with Staff, Faculty, Administration and Students is needed
- Improvement of Professional development resource information and marketing of events is needed
- Improved Transparency by posting all Request for Action memos and responses is needed
- Overall Communication needs to be improved, more updates, newsletters, professional development opportunity lists
- Improve website, by including more detailed information on Staff Council members and actions being taken
