

Kapi'olani Community College

CONTINUOUS IMPROVEMENT REPORT

ASKCC Student Congress

2018-2019 Academic Year

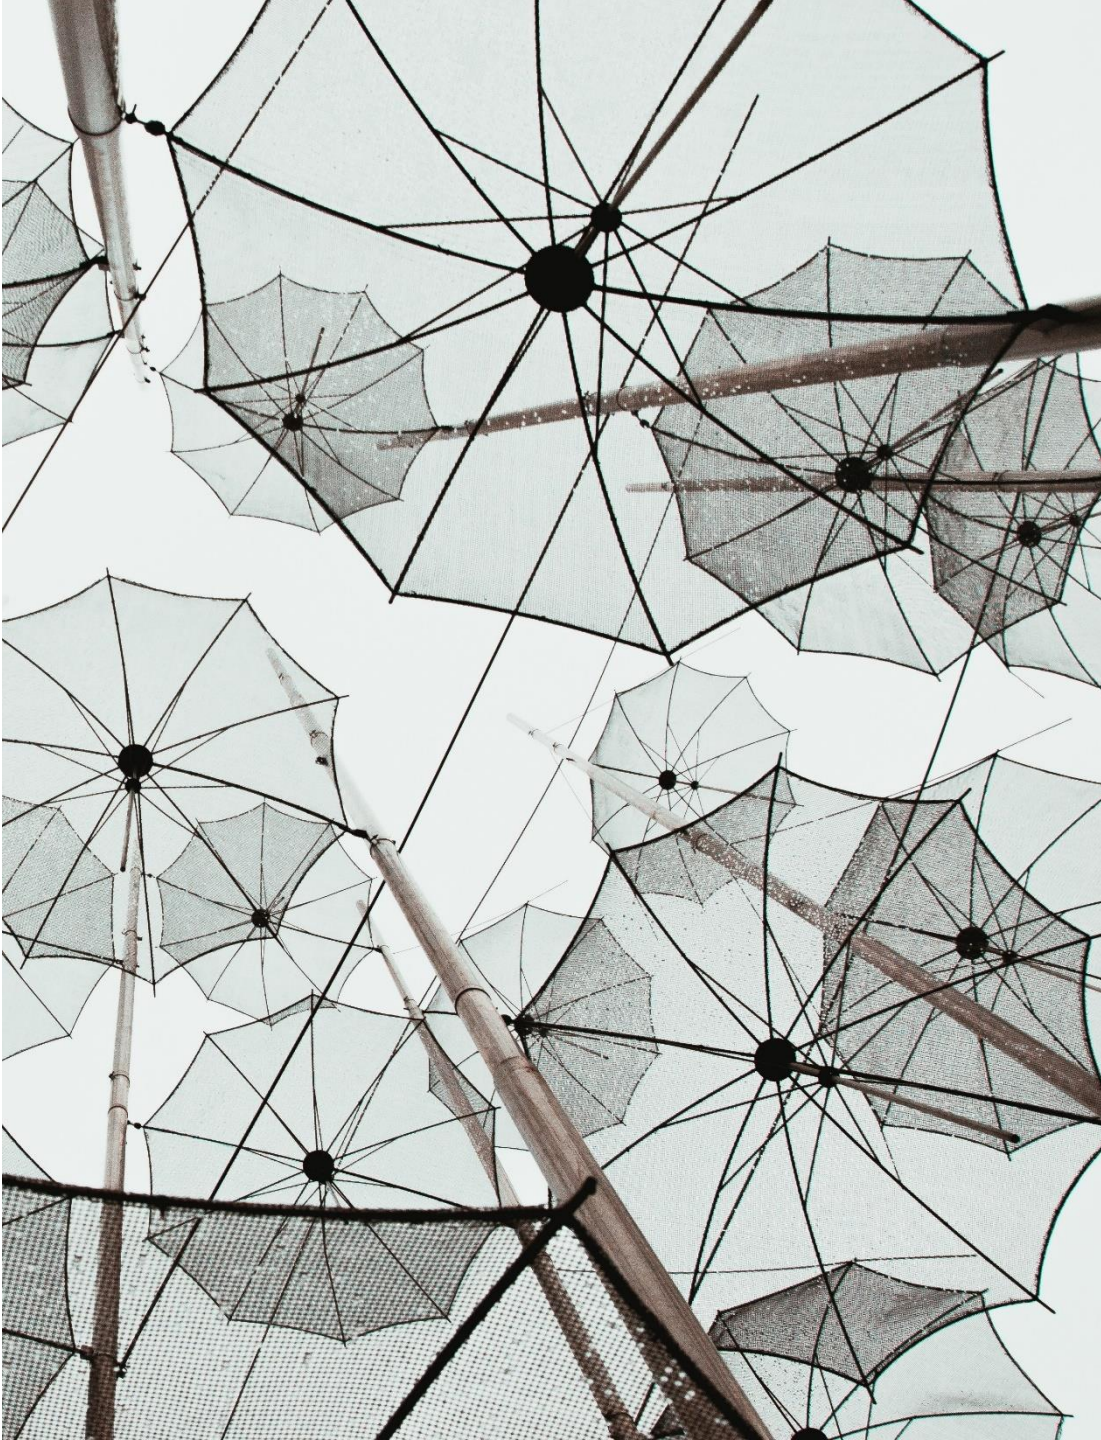

What successes does your data reflect?

- 95% of participating members voted that our organization provided an equal opportunity for participation.
- 90% stated that we were effective towards fulfilling the organization's purpose and responsibilities,
- 100% of our constituents agreed that Student Congress' initiatives were raised by student concern.
- We received many comments about creating a safe environment for perspectives to be shared, providing support for our students, and excelling in addressing concerns or issues.
- We were able to engage our constituents by collaborating with other entities on campus, supporting a fun and enjoyable student life.

What goals emerge from the data?

- Improve on providing and informing constituents about funding and budget.
- Implement an effective "relay and response" system for communicating information.
- Continue to improve visibility of our organization and engage with our constituents to make our mission be known.
- Continue to support sustainability on campus.
- Continue to support collaboration on campus.

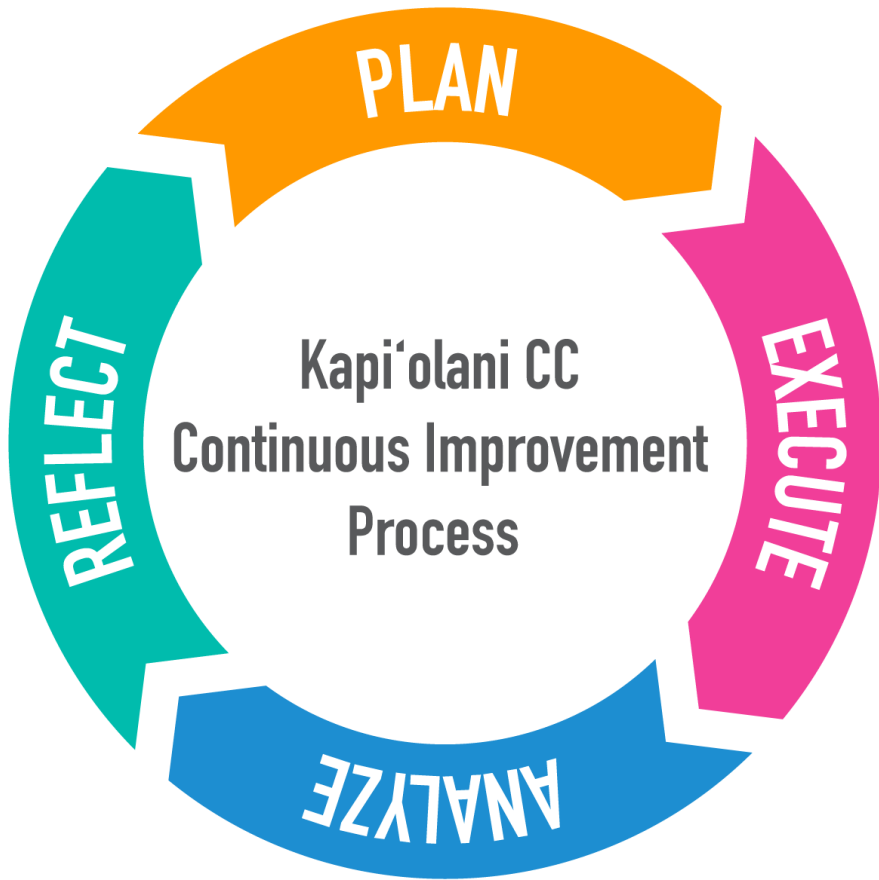

You may attach/include your survey results to this report. This is recommended for transparency, but not required.

Student Congress Internal Survey (20 Respondents)

data contact: karapw@hawaii.edu | May 10, 2019

What do you notice? What do you wonder?

Analyze and reflect.

The Accreditation Work Group will guide you through discussions in fall to dive into the goal planning phase.

Engage in data-informed conversations.

What stands out? Which elements from the survey can you use to form your initial goals?

Be objective.

Understand *what* is happening before moving to the *why*. Ask questions. Share what you notice and what you wonder about the survey responses with one another.

Q1. Please indicate the frequency of each scenario:

The council worked effectively towards fulfilling its purpose and responsibilities.

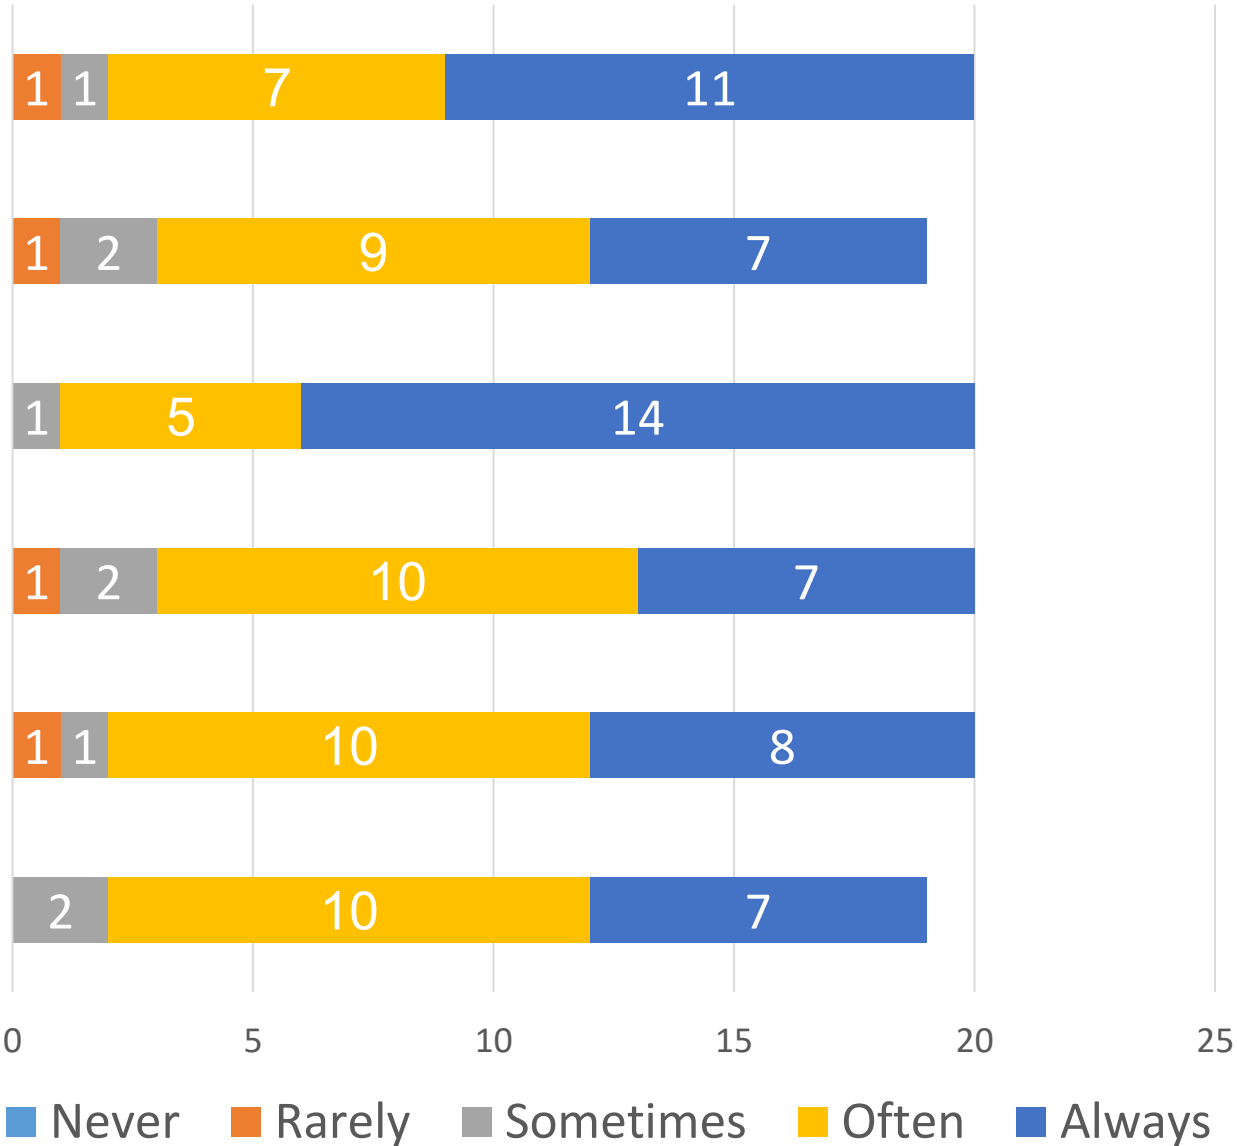

My participation in this organization was important and valuable to the campus.

Members had equal opportunity to participate.

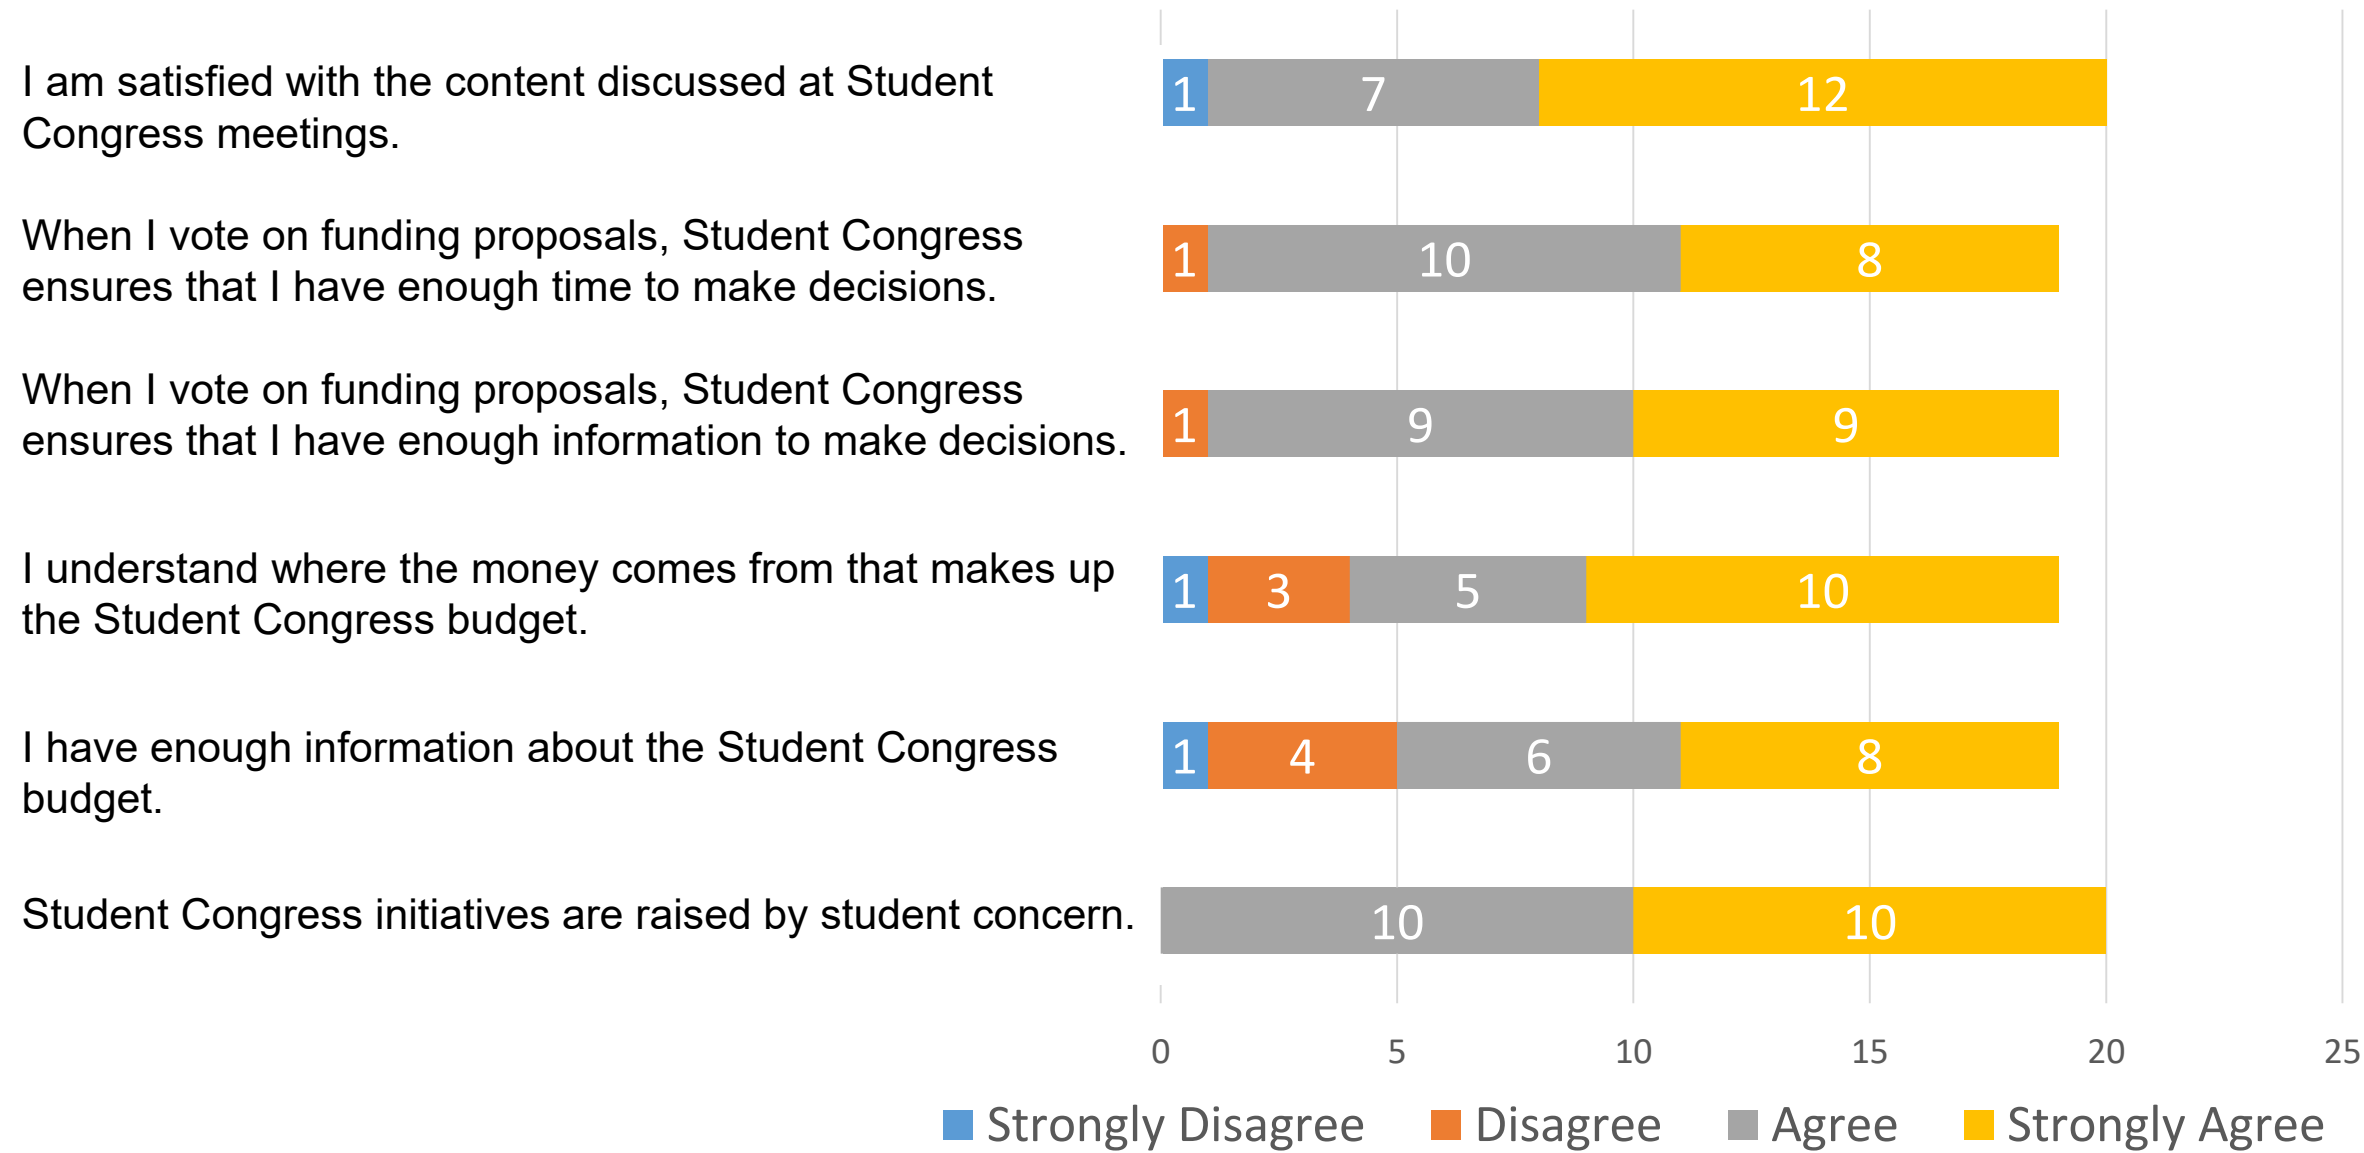

Members had adequate information to make informed recommendations.

Meetings were efficient.

Follow-up (action) items and persons responsible were clearly communicated.

Q2. Please indicate your agreement of each scenario:

Q3.

As a member, please share areas where Student Congress is excelling.

keeping student congress members invested and eager to return to meetings every other week

I love the discussion process and being able to provide valuable input.

Communication, Fun, Entertainment, Decision Making, Leadership

Student Congress excelled in creating a safe space for peers to voice their opinions. They also do a great job addressing any obstacles that a student may have.

The student congress always suggests possible options to participating clubs before they make decisions.

Student Congress provides a great platform on which students can express their concerns. It is a very welcoming environment!

Helping out the student body and making sure that they are they're voice and representation. I felt really supported in any initiative I presented and needed to bring to reality.

They are very engaging toward the students.

Collaborating :)

Communication, organization, management, fun, entertainment, cultural rep

Encourages everyone to speak up.

Excelling in being very inclusive to those interested in participating and also providing other sources that help with student life

Listening to the student voice and doing their best to provide ways to improve campus life.

Nothing

Q4.

As a member, please share areas where Student Congress can improve.

Have more vegan options at student activities that provide food. Such as ice cream socials, pizza days, etc.

Maybe find more ways to improve our campus in terms of sustainability.

This is something that the organization must continuously work at and it's being visible to the entire student body.

The meetings are quite frequent, perhaps having them once a month would be helpful.

I believe that getting more people involved would be better for greater results but i definitely understand the challenge it is.

Getting the word out to students what Student Congress is.

no favoritism

They can improve in communicating meetings and promoting student congress as well as having more events that are super fun and relaxing

Be nicer to students

The thoughts, feelings, and ideas shared in each survey will inform decisions moving forward.

Mahalo to all who shared their voice.
