## CONTINUOUS IMPROVEMENT REPORT

Academic Affairs Council

AY 2021-2022

### What successes does your data reflect?

- Considering the "often" and "always" responses only, data shows that
  - Eighty-two percent (82%) agree that the meetings were efficient and that the council worked effectively towards fulfilling its purpose and responsibilities.
  - Seventy-six percent (76%) indicated that the members had equal opportunity to participate.
- Communication was seen as a strength by some members, but was also suggested as an area for improvement

### What goals emerge from the data?

- Documentation – minutes ready for the next meeting.
- Improve communication
  - For issues and initiatives, provide details and identify timelines
  - Follow-through and completion of initiatives (closing the cycle).
