Test results
Your score will automatically be available to Kapi‘olani CC at no additional cost. For duplicate reports, please go to: http://www.atitesting.com/ati_store/product.aspx?zpid=942

Passing score
Kapiolani CC Applicants: For the ADN and LPN-RN Transition program, students must achieve an adjusted individual total score of 78% or higher. For the PRCN program, students must achieve an adjusted individual total score of 65% or higher. Please check the nursing program or ATI-TEAS webpage on the KCC website for special announcements regarding changes to the passing scores via a pilot study, wherein 60% or higher will be considered for the PRCN program, while 65% or higher will be considered for the ADN and TRANS programs.

Re-test policy
Kapiolani CC Applicants: You may re-test once every three (3) months. Scores for tests taken within a three-month period will not be considered and the Nursing Department may deny your application for admission for the semester you are trying to enter. The highest test score will be used if the test was taken more than once.

Applicants to Other Colleges: You must know and abide by your school’s re-test requirements.

Score validity
Kapiolani CC Applicants: Your ATI TEAS score is valid for three (3) years.

Applicants to Other Colleges: Check with your school’s nursing department for this information.
