INTRODUCTION

ABOUT THE INSTITUTION

The University of Hawai‘i System (UH System) is currently comprised of three 4-year institutions and seven 2-year institutions (community colleges), one of which is Kapi‘olani Community College.

Kapi‘olani Community College is the state’s largest comprehensive community college with technical, occupational and professional programs in business education, food service and hospitality education, and nursing. It offers the state’s most successful university transfer program as well as a well-respected STEM (Science, Technology, Engineering, and Mathematics) program. Nationally, Kapi‘olani Community College has been recognized for its programs in health sciences and education for emergency medical services. Locally, KCC is well known for its culinary program. Other students attend Kapi‘olani Community College as a starting point before moving on to the University of Hawai‘i at Mānoa and other four-year universities to complete a bachelor’s degree.

Of all the community colleges in the University of Hawai‘i System, KCC has the largest liberal arts student body with over (on average) 10,000 students enrolled annually. The campus has one of the nation’s largest international student bodies and attracts students from over 100 nations including very large numbers of students from Japan, Korea, China and Hong Kong because of its programs of study, links to the University of Hawaii - Mānoa, and proximity to Waikiki.

Originally located at Pensacola Street and Kapi‘olani Boulevard (from which the school gets its name), adjacent to President William McKinley High School in the Makiki community, Kapi‘olani Community College was established in 1946 as Kapi‘olani Technical College. The school was administered by the Territory of Hawai‘i as one of its chief vocational schools, specializing in food service. In 1965, its curricula was modified and the college became an open-door public college administered by the University of Hawai‘i. As part of the realignment of programs, the school adopted its current name.

Kapi‘olani Community College gained national attention in 1976 when radiology instructors Roland Clements and Harry Nakayama developed a new hip x-ray technique. In 1986, Kapi‘olani Community College’s respiratory care program won a national award as an outstanding vocational education program. Also in the late 1980s, Gallaudet University Regional Center opened at the Fort Ruger campus.
Kapi‘olani Community College is currently in the process of establishing the Culinary Institute of the Pacific, already challenging other notable culinary schools in the world to provide quality talent. Among the alumni of this program are Alan Wong, Sam Choy, and Wayne Hirabayashi, cofounders of Hawaii Regional Cuisine.

**GEOGRAPHICAL LOCATION**

Kapi‘olani Community College lies on opposite slope of Diamond Head, across from the entrance to the Diamond Head National Monument. The campus is comprised of two locations that are separated by approximately one-tenth (1/10th) of a mile in distance. The main campus can be found at 4303 Diamond Head Road and is bordered by Diamond Head Road (Northwestern Border), Kilauea Avenue (Southeaster Border), 18th Ave (Northeastern Border), and Makapuu Ave (Southwestern Border), see Appendix D for the campus location and map. Another undeveloped location can be found on the former Cannon Club location. This location is accessible along Diamond Head Road. There is no other bordering street. The campus population includes more than 10,000 credit and non-credit students each semester. On any given semester, depending on our student population size, the campus employs approximately 500 full and part time employees.

As defined by the *Clery Act*, disclosure of statistics for certain reportable crimes will be based upon the location of the crimes. Maps that delineate the *Clery Act* geographical boundaries for both campuses are located in Appendix D.

**SPECIFIC FEDERAL LAWS REQUIRING SAFETY- AND SECURITY-RELATED DISCLOSURES**

In 1990, Congress enacted the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101-542) that was later amended and renamed the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (also known as the Clery Act).

The Clery Act requires all postsecondary institutions, that participate in the Higher Education Act (HEA) Title IV student financial assistance programs, to meet annual performance measures related to safety, security, and emergency management. One such measure is to publicly disclose specific crime statistics and safety- and security-related information by way of an Annual Security Report (ASR) which must be published and disseminated (or provide notice of its availability) by October 1 of each year.
In 2008, the Higher Education Opportunity Act (HEOA; Public Law 110-315) was reauthorized and expanded the elements of the HEA. The HEOA further amended the Clery Act, and created additional safety and security performance and disclosure requirements for postsecondary institutions.

The Violence Against Women Reauthorization Act of 2013 (Public Law 113-4) amended the Violence Against Women Act of 1994 (VAWA) which also added safety- and security-related performance and disclosure requirements.

This Kapi‘olani Community College 2014 Annual Security Report has been published in accordance with the disclosure and information requirements of the current amended versions of the Clery Act, the HEOA, and the VAWA.

**ANNUAL SECURITY REPORT**

Kapi‘olani Community College is firmly committed to providing a safe and secure learning and working environment. Policies and procedures are designed to provide precautionary measures to protect persons and property. The entire Kapi‘olani Community College community should exercise good judgment and take appropriate precautions to reduce the possibility of becoming the victim of a crime-related event on campus.

The 2014 Annual Security Report (ASR) is prepared and published in compliance with the Higher Education Opportunity Act (HEOA) and the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act). These federal laws require colleges and universities to:

- Publish an annual security report containing three years of selected crime statistics and certain campus security policy statements.
- Disclose crime statistical data for the campus, public areas immediately adjacent to the campus, and specific non-campus facilities that are owned or operated by the college and university.

**PREPARATION AND NOTIFICATION OF ANNUAL SECURITY REPORT**

The Vice-Chancellor of Administrative Services Office in conjunction with the Auxiliary Services Division coordinates the collection, publication, and dissemination of the ASR for Kapi‘olani Community College. The primary source of statistical data comes from the Campus Security Office to whom crimes and incidents are generally reported. However, because not all incidents are reported to Campus Security, other sources are sought for statistical data. These sources include the following:

- Designated Campus Security Authorities (other than Campus Security)
- Honolulu Police Department
• Department of Public Safety-Sheriffs Division
• Department of Land and Natural Resources, Division of Conservation and Resource Enforcement

Please note that only the statistics are collected. No identifiable information on the victim or suspect is disclosed to the college.

Upon completion of the annual report, a mass email notification is sent to all current students, faculty, and staff providing the website address to access this report.

A hardcopy of this report is also available for viewing in the library (for review and reference only).

Current and prospective students and employees may make a request 36 hours prior to obtain one hardcopy of the report from the Vice-Chancellor of Administrative Services Office (contact 808-734-9531 or come to Ilima Building, room 211). The ASR is also available online to current and prospective students, faculty, staff, and the general public at:

**ASR POINT OF CONTACT INFORMATION**

All communication related to this ASR are to be addressed in writing to the following office:

Kapi'olani Community College  
Attention:  
Vice Chancellor for Administrative Services  
4303 Diamond Head Road  
Honolulu, Hawai'i 96816

Should there be any amendment to this ASR, an email notice will be sent to the campus community. The cover page will reflect: “Revised as of: [Date]”). The revised version will also be posted on the campus website for public download.
CAMPUS SECURITY

OVERVIEW

Each Campus Security Department at each of the institutions in the University of Hawai‘i System is independently administered. Security services for Kapi‘olani Community College are administered through Kapi‘olani Community College’s Administrative Services Division. Security services are provided by the Campus Security Office. The unit includes two (2) University Security Officer (USO) II positions and six (6) USO I positions. The college also contracts security services on a limited basis. These services are utilized to supplement the workforce and provide additional coverage as necessary.

Together, campus security officers and contract security officers provide patrol and other security services 24-hours a day, 365-days a year. The Campus Security Office is located in the Ohia Building on the first floor, Room 104. Security officers are available by telephone at 734-9900 or by campus telephone at x9900.

**Safety Tip**
Enroll in UH ALERT for emergency email and text message notifications.

ENFORCEMENT

USO’s are charged with upholding federal, state, and local laws in addition to the rules, regulations, and policies governing the University of Hawai‘i and Kapi‘olani Community College. In addition, USO’s and contract security personnel are not sworn police officers, do not have police powers, and are not authorized to carry firearms. Security officers may detain individuals involved in the violation of laws and those involved in criminal acts they personally view, or those positively identified as having committed such an act by victims or witnesses until such time that the Honolulu Police Department (HPD) arrives to take custody of the individual(s). Any campus incident requiring an arrest is referred to HPD.

The Campus Security Office remains in communication with HPD and will occasionally work with other law enforcement agencies including the State of Hawai‘i’s Department of Public Safety (DPS), the Federal Bureau of Investigation (FBI), and the Department of Homeland Security, among others. Campus Security maintains an open and reciprocal relationship with these agencies utilizing their resources and expertise to gather crime-related information, reports, and statistics. The HPD
remains responsible for investigating all criminal activity that occurs on all University of Hawai‘i campuses, including Kapi‘olani Community College.

Though no formal agreements exist between the agencies, Kapi‘olani Community College, as a state-level agency, is recognized in local-, state- and federal-level emergency management plans. The law enforcement agencies are also identified in those plans as members of the State Law Enforcement Coalition (SLEC). Certain federal and state-sponsored training for SLEC personnel are often opened to include Kapi‘olani Community College personnel.

**ENFORCEMENT AND CAMPUS SECURITY’S RELATIONSHIP TO THE STUDENT CONDUCT CODE**

The University of Hawai‘i (UH) System “Student Code of Conduct” (Executive Policy E7.208 University of Hawai‘i Systemwide Student Conduct Code) Section IV.A: Jurisdiction of the UH Student Conduct Code, states: “The UH Student Conduct Code shall apply to conduct that occurs on UH premises, at UH sponsored activities, in distance/on-line courses and events, and to off-campus conduct that affects the UH Community and/or the pursuit of its objectives. Each student shall be responsible for his/her conduct from the time of application for admission through the actual awarding of a degree. Conduct that occurs before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if his/her conduct is not discovered until after a degree is awarded), is subject to the Student Conduct Code.” Additionally, Section IV.B: Conduct - Rules and Regulations, item #8 states: “Failure to comply with any directions of UH officials or law enforcement officers acting in performance of their duties and/or failure to provide identification to these persons when requested to do so.”

In order to maintain a safe and secure educational environment, Honolulu CC Campus Security personnel may encounter circumstances that will require obtaining personal identity information from students at on- and off-campus properties, as well as requiring acceptance of guidance and direction.

Students are encouraged to review their “Student Code of Conduct” and in order to better assist the campus administration in their endeavor to help preserve a positive learning environment for all Others in the campus community such as faculty, staff, and contractors are guided by their respective provisions of conduct as identified by their employers.

SECURITY WORKFORCE TRAINING

State-Employed USOs are licensed professionals with the State of Hawai‘i, Department of Commerce and Consumer Affairs, in accordance with the Hawaii Revised Statute (HRS) Chapter 463-10.

In addition to completing the training requirements for licensure, USOs must also complete initial certification and, thereafter, regular recertification/refresher training on cardiopulmonary resuscitation/first aid/automated external defibrillator; defensive tactics training; safe operation of motorized vehicles; safety measures to mitigate against blood borne pathogen exposure; and, safety measures in response to fire/chemical hazards.

USOs also are trained on their responsibilities under the Clery Act; and, they are required to complete courses in the National Incident Management System (NIMS) and the Incident Command System (ICS), which are the operational, and command/control protocols utilized by all first responder agencies throughout the nation.

Contract security personnel are subject to the same DCCA licensure requirements as the USOs. Contract personnel who are assigned to any University of Hawai‘i Community College are also expected to meet all the initial certifications and recertification/refresher training requirements as the USOs (with the exception of the defensive tactics training). Additionally, contract security personnel must also complete NIMS/ICS training.

CRIME PREVENTION SERVICES

Security officers, including contract security, conduct regular patrolling of the campuses by either vehicle and/or by foot. Security officers perform an array of public safety services, including, but not limited to:

- Working with victims and alleged victims in completing incident reports;
- Investigating crimes and working with other college or university offices, or law enforcement, in meeting all internal investigation requirements under federal law;
- Responding to medical, fire and other disaster emergencies;
- Responding to all traffic accidents that occur on the college’s property;
- Upholding of university rules and local or federal laws that regulate the use of alcohol, drugs, and weapons;
- Inspecting campus facilities that facilitate safety (i.e., lighting, shrubbery), and other related campus security services;
- Providing first responder assistance in emergency first-aid, cardiopulmonary resuscitation (CPR), automated external defibrillator (AED);
- Crowd control for college events;
• Managing overall campus aggressive and/or disturbing behavior.

University Security Officers also provide lock-out services within college and/or department procedural guidelines and policies.
POLICY STATEMENTS

TIMELY WARNINGS

In the event that a situation arises, either on or off campus, that poses an immediate or ongoing threat, a campus-wide timely warning will be issued to the campus community. The timely warning notification will be issued by one of the following offices, depending upon the circumstances of the situation; Chancellor’s Office, the Vice-Chancellor of Administrative Services Office, Vice-Chancellor of Academic Affairs Office, or the Campus Security Office.

Any of the following communication methods may be used to issue the timely warning messages; emergency text message alerts, prominent postings on the Kapi‘olani Community College website, broadcast email and voicemail, social media outlets (i.e., Facebook, Twitter), “Code Blue” emergency telephone public address system, and emergency broadcast enunciator system. Fliers and other informational materials may also be posted in campus buildings, bulletin boards, and digital signage display screens to inform students, faculty, and staff of ongoing safety concerns.

Anyone with information that may warrant a timely warning notification should report the circumstances to the appropriate law enforcement or campus authorities:

- Campus Security Office at x9900 (on-campus telephone) or 734-9900, or in-person at the Campus Security Office, Ohia Building, Room 104.

REPORTING OF CRIMINAL OFFENSES

Students, faculty, and staff are encouraged to immediately report any on-campus emergency, criminal offense, or suspected criminal activity. Prompt reporting improves campus security and law enforcement’s ability to investigate the situation and to apprehend suspects and/or prevent potential crimes. Incidents should be reported to one of the following:

- Honolulu Police Department (HPD) at 911.

- Campus Security Office at x9900 (on-campus telephone) or 734-9900, or in-person at the Campus Security Office, Ohia Building, Room 104.

As an option, criminal offenses may also be reported to campus officials who are designated as Campus Security Authorities (CSA’s). CSA’s will assist with the notification procedures to proper security or law enforcement authorities as necessary and incidents reported to CSA’s will be included in the annual security report crime statistics. Please refer to Appendix A of this report for more information on CSA’s.
Although exempt from the reporting requirements of the Clery Act, pastoral and professional mental health counselors are encouraged to refer persons they are counseling to report crimes on a voluntary, confidential basis, especially if the incident poses an immediate or ongoing threat to the campus community. Crimes reported will be included in the annual security report crime statistics.

All campus incident reports are recorded in the Campus Security Office and disseminated to the Auxiliary Services Director and to the Vice-Chancellor of Administrative Services Office. Incident reports involving students are also distributed to the Dean of Student Services for review and potential action via the student judiciary process. The Campus Security Office will conduct investigations when deemed appropriate. Additional information discovered through the investigation process will also be forwarded to the appropriate administrative offices or law enforcement as warranted.

**VOLUNTARY – CONFIDENTIAL REPORTING**

If you are a witness to, or victim of a crime and do not wish to pursue action within the College judicial system or criminal justice system, you may still want to consider making a confidential report. With your permission, the Campus Security Office can report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With the disclosure of this information, the College can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution and in *the Daily Crime Log*. Please be aware, however, that an anonymous report may not be enough for us to pursue further action against an individual or ameliorate a dangerous situation, unless the situation is evident.

**DISCLOSURES TO ALLEGED VICTIMS**

Kapi‘olani Community College will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the College against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, the College will provide the results of the disciplinary hearing to the victim’s next of kin, if so requested.

**DAILY CRIME LOG**

The Campus Security Office maintains a *Daily Crime Log* that records all crimes and incidents that occur within the Clery Act defined geographical boundaries. *The Daily Crime Log* includes the
nature, date, time, and general location of each crime reported as well as the disposition of the incident if that is known at the time of recording. The Daily Crime Log is available for public inspection at the Campus Security Office (Ohia Building, Room 104).

**EMERGENCY RESPONSE AND EVACUATION PROCEDURES**

Kapi‘olani Community College maintains an *Emergency Operations Plan (EOP)* that provides procedures for managing and responding to emergencies that may threaten the health and/or safety of the campus community and/or disrupt the College’s programs and activities. The *EOP* outlines necessary emergency preparedness requirements and identifies organizations and individual positions responsible for emergency preparedness, response, and recovery.

The *EOP* is designed to provide an organized management system for the campus to follow during times of emergencies. The system is flexible whereby part of or the entire plan may be activated, as appropriate to the situation. Emergency response leadership at Kapi‘olani Community College will be provided by the *Emergency Management Team (EMT)* is drawn from the College’s senior administration, academic leaders, and other key personnel.

The *EMT* Incident Commander is the Vice Chancellor of Administrative Services. If the VCAS is not available, or not on campus, the Chancellor or another Administrator will assume this role. The College conducts emergency response exercises throughout each year, including table top exercises, field exercises, and tests of the various emergency notification systems.

Key campus personnel have been trained in the *National Incident Management System (NIMS)* concepts and principles that include the *Incident Command System (ICS)* protocols.

General information about the emergency response and evacuation procedures are publicized each year as part of the institution's *Annual Security Report*. Detailed information about and updates to the College's *EOP* are available on the Kapi‘olani Community College website:

In addition to the *EOP*, all campus classrooms and faculty and staff offices are required to post and have available the institution's *Emergency Reference Guide*. The *Emergency Reference Guide* is a quick reference flipchart that provides step-by-step procedures on various emergency scenarios as well as providing a telephone directory of campus and community resources. Copies of the *Emergency Guide* are available in the Vice- Chancellor of Administrative Services Office.

All members of the campus community are notified on an annual basis that they are required to notify the Campus Security Office of any situation or incident on campus that involves a significant emergency or dangerous situation that may involve an immediate or ongoing threat to the health and/or safety of students and employees. The Campus Security Office has the responsibility of responding to, and summoning the necessary resources, to mitigate, investigate, and document any...
situation that may cause a significant emergency or dangerous situation. In addition, the Campus Security Office has a responsibility to respond to such incidents to determine if the situation does in fact, pose a threat to the community. If the threat is verified, federal law requires that the institution immediately notify the campus community of this situation.

**CAMPUS NOTIFICATION ABOUT AN IMMEDIATE THREAT**

Upon confirmation that an emergency or dangerous situation poses an immediate threat to the health and/or safety of some or all members of the campus community, the institution will activate all or a portion of the college’s Emergency Operations Plan (EOP). Members of the EMT will collaborate to determine the nature of the emergency, appropriate response plans, and the content of the message that will be delivered to the campus community.

Authorized members of the EMT include the Chancellor, Vice-Chancellor of Academic Affairs, Vice-Chancellor of Administrative Services, Vice-Chancellor of Student Affairs, Deans of Arts and Sciences, Health Programs, and Business, Legal and Technology divisions, Auxiliary Services, and the Campus Security Office. The EMT will initiate the notification systems, unless issuing a notification will, in the judgment of authorized first responders (e.g., Honolulu Police Department, Honolulu Fire Department, Emergency Medical Technicians), compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

Various communication methods are used by the campus to alert students, faculty, and staff of emergencies or dangerous situations. Some or all of these methods of communication may be activated in the event of an immediate or ongoing threat to the campus community: emergency text message alerts, prominent postings on the College’s website, broadcast email and voicemail, social media outlets (i.e., Facebook, Twitter), “Code Blue” emergency telephone public address system, and emergency broadcast enunciator system. Fliers and other informational materials may also be posted in campus buildings, bulletin boards, and digital signage display screens to inform students, faculty, and staff of ongoing safety concerns.

The institution will post frequent and regular updates during a critical incident on the College’s website main page:

http://www.kapiolani.hawaii.edu/

Members of the campus community including all students, faculty, and staff, are encouraged to voluntarily enroll in the University of Hawaii’s UH Alert Emergency Notification System. UH Alert includes broadcast email and text message delivery options that may be used to alert the campus community of natural, health, or civil emergencies. The website for UH Alert enrollment is as follows:

https://www.hawaii.edu/alert/
ACCESS AND SECURITY OF CAMPUS FACILITIES

Kapi'olani Community College encourages the use of campus facilities by students, faculty, staff, affiliated organizations, and non-affiliated groups that that follow appropriate facility use guidelines. The campus recommends a curfew of 11:00 p.m. After 11:00 PM, the college asks that the campus be vacated unless specific arrangements have been made for the campus community and/or the general public to attend educational, cultural, or recreational performances or events. These requests can be made via Facility Use request through the Vice Chancellor of Administrative Services. If you are on authorized business or attending a campus sponsored meeting or event after 11:00 PM, you may be questioned as to your activities by a security officer. This is done to ensure that the campus remains a safe environment, particularly during late night hours. During these times, access for students, faculty, staff, and guests is limited to the facilities in which these authorized meetings or events are held.

The Campus Security Office will be notified of all meetings and events prior to the day of the event/meeting to address safety and security concerns and to assist in security officer scheduling if necessary.

**Safety Tip**

While walking on campus, follow these safety tips:
- Avoid walking alone;
- Walk in lighted areas;
- Keep hands free;
- Have your vehicle keys ready;
- Use Campus Security Escort Service

CRIME PREVENTION AWARENESS PROGRAMS

The College’s crime prevention awareness programs are based upon the dual concept of eliminating or minimizing opportunities for crime while encouraging students and employees to assume responsibility for their own safety and the safety of others by taking common sense precautionary measures. The following is a listing of the crime prevention programs offered by Kapi’olani Community College:

- **Escort Service:** Campus Security Officers provide walking escort services for anyone when requested during the evening hours. An escort may be requested by calling x9900 or 734-9900. Security escorts will walk the requestor to a college facility or vehicle parked on, or within the campus boundaries as defined by the Clery Act.
- **Emergency “Code Blue” Call Boxes:** There are emergency “Code Blue” call boxes located throughout the campus. When activated, the caller will be automatically connected to a campus security officer for service or assistance. “Code Blue” call boxes are tested monthly and are located in the following areas:
• **Facilities and Grounds Surveys:** All potential safety and security hazards observed by security officers are promptly reported to the appropriate individual/unit for corrective action. The Security Supervisor participates in the review of safety issues and related concerns.

• **Crime Prevention and Safety Outreach Programs:** Various crime prevention and safety educational and informational programs are delivered to students and employees through various outlets including, but not limited to, the following: the Annual Security Report, the College website, special workshops, seminars, and presentations, email notification, the campus bulletin, crime prevention and awareness posters and packets, bulletin boards, and digital signage display screens. These programs focus on developing sound personal safety and property protection habits and to actively practice crime prevention. Periodically, in cooperation with other College or University of Hawai‘i units and departments, seminars are presented on sexual assault, harassment, workplace violence, and other crime awareness and prevention topics.

• **UH Alert System – The UH Alert System (UH Alert) is managed by the University of Hawaii System’s Information Technology Services Department. UH Alert has the capability to send timely emergency information in the form of text messages and/or email directly to subscribers whose accounts are on the most recently updated University of Hawaii System’s “UH Username” list. To sign up, go to: [https://www.hawaii.edu/alert/](https://www.hawaii.edu/alert/).**

Please note that your UH Alert subscription will be terminated when your account is unsubscribed from the UH Alert System upon termination of your relationship with the University. Students, faculty, and staff are encouraged to sign up for the UH Alert System (at no charge) to receive text or email notification of security issues.

**ALCOHOL AND DRUG POLICY**

In conformance with existing federal and state law as well as the *Student Conduct Code*, students, faculty, and staff are not permitted to manufacture, distribute, possess, use, dispense, or be under the influence of illegal drugs and/or alcohol as prohibited by state and federal law at College-sponsored or approved events or on College property or in buildings used by the College for education, research, or recreational programs.

Consumption of alcoholic beverages is forbidden in all public and common areas. Serving of alcoholic beverages at special events and activities requires a special permit issued by the Kapi‘olani Community College Chancellor.

Consistent with its mission, the College will cooperate with law enforcement agencies responsible for enforcing laws relating to the use of illegal drugs and alcohol. Students found in violation shall be subject to the provisions of the *Student Conduct Code*. Faculty and staff found in violation are subject to disciplinary action as provided in collective bargaining agreements, University of Hawai‘i policy, and other applicable state laws and rules. The complete University of Hawai‘i policy on substance abuse is available on the following website:

[http://www.hawaii.edu/ohr/docs/drugfree.htm](http://www.hawaii.edu/ohr/docs/drugfree.htm)
SUBSTANCE ABUSE EDUCATION

Early recognition and treatment are important for successful rehabilitation. Students may contact the Vice Chancellor of Student Affairs for assistance regarding counseling and treatment referral services. Faculty and staff may contact their supervisors for assistance and referral services. The State Department of Health has contracts with numerous private agencies to provide a range of counseling and treatment services. A sample listing of assistance and treatment services can be found in Appendix B and at the following website:

SEXUAL ASSAULT POLICY

Kapi`olani Community College is committed to ensuring a safe and secure college environment for all students and employees and will not tolerate acts of sexual assault. The State of Hawaii, Hawai`i Revised Statute Section 707-741 “Hawai`i Penal Code” defines sexual offenses which, for Clery Act statistical reporting purposes are categorized as follows: rape, forcible fondling, statutory rape and incest.

Any member of the Kapi`olani Community College community who commits a sexual offense is subject to criminal prosecution and college disciplinary procedures. Under the University of Hawai`i Community College (College) disciplinary procedures, a variety of sanctions may be imposed, including dismissal from school or loss of employment. By law, all University disciplinary procedures
provide due-process protection for the accuser and the accused. At the conclusion of mandated hearings related to the sexual offense, both the accuser and the accused shall be informed of the decision and sanction.

Sexual assault, including date/acquaintance rape, is a very serious crime and should be reported immediately to one of the following:

- Sex Abuse Treatment Center Hotline (524-7273);
- HPD (911); and/or,
- Campus Security (x9900 or 734-9900).

Reporting the crime should be made regardless whether the victim plans to pursue legal action or press formal charges. A victim’s physical and emotional well being is of paramount concern and steps will be taken to ensure that security officers offer timely, supportive, and sensitive assistance to those who feel that they are a victim of sexual assault. If a student is a victim of a sexual offense, the Vice Chancellor of Student Affairs, upon request from the student, will provide assistance in notifying the HPD. The College’s Human Resource Office will provide similar assistance to employees who are victims of a sexual offense.

For students, the Vice Chancellor of Student Affairs, or designee, will be responsible for any campus administrative action by the College against a student assailant in accordance with the University of Hawai‘i Student Conduct Code.

The Student Conduct Code provides sanctions ranging from warning, probation, restitution, temporary suspension, suspension, and expulsion. Employee assailants are subject to sanctions in accordance with State of Hawai‘i and University of Hawai‘i Rules and Regulations, and provisions of collective bargaining agreements. Appropriate sanctions may be taken up to and including termination of employment. College disciplinary procedures provide due process protection for the accuser and the accused. Both are entitled to have others present during a disciplinary hearing, and both shall be informed of the outcomes of any institutional disciplinary proceeding brought alleging a sex offense, pursuant to provisions of collective bargaining agreements, the State Uniform Information Practices Act, and the Federal Campus Assault Victim’s Bill of Rights.

Employees may use on-campus procedures and file complaints with the EEO/AA (Equal Employment Opportunity and Affirmative Action) Officer, or designee, who is responsible for investigating the complaint.

**SEXUAL ASSAULT VICTIMS’ BILL OF RIGHTS**

The “Campus Sexual Assault Victims' Bill of Rights” (Victim’s Bill of Rights) was signed into law by President George Bush in July of 1992. This law requires that all colleges and universities participating in federal student aid programs afford sexual assault victim’s certain basic rights.

The Victims’ Bill of Rights exists as a part of the campus security reporting requirements of the Clery
Act which requires all colleges and universities (both public and private; and, participating in federal student aid programs) to afford sexual assault victims certain basic rights as follows:

- Survivors shall be notified of their options to notify law enforcement.
- Accuser and accused must have the same opportunity to have others present.
- Both parties shall be informed of the outcome of any disciplinary proceeding.
- Survivors shall be notified of counseling services.
- Survivors shall be notified of options for changing academic and living situations.

To promote campus safety, information regarding the prevention of sexual offenses such as rape, date/acquaintance rape, and other forcible and nonforcible sexual offenses are shared with students at new student orientation sessions. In addition, other educational programming related to these topics may be offered at other times during the academic year. Also, an Annual Security Report is disseminated to current students and employees, and available to prospective students and employees upon request.

**VICTIMS OF SEXUAL ASSAULT**

If you are a victim of a sexual offense, you have the option of notifying proper law enforcement authorities both on-campus (Campus Security) and off campus (Honolulu Police Department). It is very important to make every attempt at preserving any physical evidence in order to assist in the apprehension and prosecution of the assailant and to prevent others from becoming victims of similar crimes. Preservation of evidence includes not showering or disposing of any damaged clothing or other items that are present during or after the assault.

The student victim may request reasonable changes to his/her academic schedule in order to safely continue their studies at Kapi'olani Community College. The Vice Chancellor for Student Affairs will provide assistance or referrals for students who would like to change their academic and/or living situation following an alleged sexual assault incident, as well as for those students who need or request counseling. The Human Resources Office will provide similar levels of accommodation and support services to employees.
Support services and resources for victims of sexual assault are listed in Appendix B of this report. Additional information related to the University of Hawai‘i’s policies on sexual harassment and sexual assault can be found at the following websites:

- **Sexual Harassment:**
  

- **Sexual Assault:**
  

The University of Hawai‘i also offers an online training course, *Preventing Sexual Harassment*, which is available to students, faculty, staff, and guests. This is a one-hour, self-paced program, designed to promote educational awareness and prevention of sexual harassment in the learning and workplace environment at the University. The program can be accessed at the following website:

[http://www.hawaii.edu/offices/eeo/training.html](http://www.hawaii.edu/offices/eeo/training.html)

**SEX OFFENDER REGISTRY**

In accordance with the Campus Sex Crimes Prevention Act (CSCPA) of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act, the Family Educational Rights and Privacy Act of 1974 (FERPA), and Chapter 846E of the Hawai‘i Revised Statutes, the Hawai‘i Criminal Justice Data Center maintains a central repository of registered sex offenders for the State of Hawai‘i. These laws require institutions of higher education to issue a statement advising the campus community where information concerning registered sex offenders may be obtained. It also requires sex offenders to provide notice of each institution of higher education at which the person is either employed, carries a vocation, or is a student.

A listing of all registered sex offenders in Hawai‘i is available to the general public via an online database at the following website:

The symbol identifies people, lgbt and otherwise, who are non-judgmental and have access to lgbt resources, should you need them. Safe Zone participants are not trained counselors but may direct you to a trained counselor who is also a Safe Zone participant. When you see this symbol, know that whatever the attitudes toward lgbt people and their allies on campus—here at least is a “Safe zone” or safe place.

CRIME PREVENTION AND SAFETY TIPS

Kapi‘olani Community College is firmly committed to providing a safe and secure learning and working environment. Policies and procedures are designed to ensure that every possible precautionary measure is taken to protect persons and property. Please be aware, however, that preventive efforts on your part can effectively reduce your chances of becoming a victim of a crime-related event. Criminals often act when opportunities to commit crimes present themselves. By taking proactive precautions, such opportunities may be minimized.

A successful campus safety awareness program needs the cooperation, involvement, and support of all students, faculty, and staff. Please exercise these simple, common sense precautions while on campus:

- Park and walk in lighted areas; use the “buddy system” by walking with others; use the campus escort service.
- Report any suspicious persons or activities; report all incidents no matter how minor; report injuries or damages immediately.
- Be careful when using elevators; exit the elevator if a suspicious person enters the elevator.
- Be sure to lock and secure windows and doors in your office and room; lock your vehicles; secure bicycles; store valuables out of sight of others.
- Never loan keys to anyone; they may be lost, stolen, or duplicated.
- Mark or engrave your belongings; do not leave your belongings/valuables unattended.
- Register your bicycle/moped with the City and County License Registration Department.
- Let someone know that you are working odd hours or will be in the building after normal business hours.
- Familiarize yourself with the locations of telephones, emergency “Code Blue” call boxes, and the Security Office.
- Keep alert; be aware of your surroundings.
- Walk briskly; be aware of anyone walking behind you.
- Have your keys ready when approaching your vehicle so that you can minimize the time to get into your vehicle.

**Safety Tip**

Motor vehicle safety and awareness tips:

- Report all suspicious persons or vehicles around parking areas to the Campus Security Office @ 455-0611 or x611;
- Keep your vehicle locked and the windows rolled up tightly;
- Never leave your vehicle running when unattended;
- When parking; choose a well-lit, heavily traveled area;
- Packages, backpacks, books, and other valuables should be locked in the trunk of the vehicle or out of view of others.
