What is the A²?
The Radiologic Technology Program is using an online Admissions Assessment from an independent third party (Elsevier Evolve) as a part of the admissions procedure. All applicants to the Program must achieve minimum scores in five content areas to qualify for admission. The applicant will be awarded points based on their cumulative score on the A².

When do I take the A²?
The test must be taken during the program application period (04/01 to 05/31). Please see the “Testing Schedule” section of this information sheet for tentative testing dates and registration period.

How often can I take the A²?
You may take the test once per application period. If an applicant takes the A² more than once, the first score will be used for admissions purposes.

What do I need to bring?
- Photo ID
- Pencil or pen

How do I register for the A²?
Complete and submit the registration form with a NON-REFUNDABLE money order, cashier’s or bank check for $35 (subject to change) payable to Kapiolani Community College to the address specified on the registration form. PERSONAL CHECKS WILL NOT BE ACCEPTED. The registration form must be post-marked or hand-carried by the appropriate registration deadline. LATE REGISTRATIONS FOR THE A² WILL NOT BE ACCEPTED.

Description of Content Areas

Reading Comprehension – written scenarios used to measure reading comprehension: identifying the main idea, finding meaning of words in context, passage comprehension, making logical inferences, etc. (47 items; 60 minutes; qualifying score is 75%)

Vocabulary and General Knowledge - vocabulary terms commonly used in both general English-speaking settings and in health care fields (50 items; 50 minutes; qualifying score is 75%)

Grammar - basic grammar, including parts of speech, important terms and its use in grammar, and commonly occurring grammatical errors (50 items; 50 minutes; qualifying score is 75%)

Math - math skills needed for health care fields, including basic addition, subtraction, multiplication, fractions, decimals, ratio and proportion, household measures, and general math facts that are useful for calculating drug dosages and solutions (50 items; 50 minutes; qualifying score is 75%)

Anatomy & Physiology - general terminology and anatomical structures (25 items; 30 minutes; qualifying score is 75%)

How do I prepare for the A²?
Review related class notes. (Please see the “Description of Content Areas” sections of this information sheet.) HESI A² review books by Evolve or other publishers are also available online.

Tests will be administered from 9:00am-3:00pm; examinees should check in between 8:15-8:45am.

Tests may be rescheduled IF space is available AND the change is made a minimum of one week prior to the original and rescheduled test dates.

Testing Locations
Tests will be administered on the Kapiolani Community College campus. Examinees will be informed of the test date and location via e-mail following registration submission.

When will I know my scores?
Scores are available via your Evolve account upon completion of your test, and will be available for your review at any time.
