

OPTIONAL PRACTICAL TRAINING (OPT) FOR F-1 STUDENTS

What is Optional Practical Training (OPT)?

1. OPT is a 1 year practical training opportunity provided by the United States Citizenship and Immigration Services (USCIS).
2. HIC makes a recommendation on the I-20, but USCIS approves the OPT.
3. Students will still be on F-1 visa, using their Kapiolani CC I-20.

Eligibility Requirements

1. 12 months of OPT are available for every time students graduate, as long as the degree is obtained at a higher educational level.
2. Applicants **MUST** have been in lawful student status for at least 1 full academic year and graduating from an Associates Degree or Certificate of Achievement program.
3. Students who have completed 12 months of full-time Curricular Practical training (CPT) lose eligibility for OPT. (Periods of part-time CPT, even if they exceeded 12 months, do not count against OPT)
4. Employment must be directly related to the student's major and appropriate for their level of education.
5. Employment can be paid or nonpaid.
6. It is recommended but not required that students have job offers before applying.

OPT Application Process

1. **The USCIS** will start accepting applications 90 days before the student's program end date until 60 days after the student's program end date.
2. The process at the USCIS can take up to 90 days.
3. There is a **\$380** application fee.
4. Students **MUST** choose their start and end dates and **MAY NOT** change them.
5. When you are approved for OPT, you will receive an Employment Authorization Document (EAD) card.
6. Following OPT, students have a 60 day grace period to either depart the U.S., transfer to another school, or change to another visa status.

OPT Before Graduation (Less Common)

1. OPT may be approved pre-graduation if it occurs in one of the following circumstances
2. Full time (21 or more hours/week) during vacation periods (e.g. summer break); Part-time (20 or fewer hours/week) while school is in session
3. Part-time OPT before graduation is counted against the 12-month total as follows: 2 months part-time OPT= 1 month full time OPT

Splitting OPT Periods Before Graduation and After Graduation (Less Common)

1. May use OPT for consecutive summers (3 months each) or for shorter periods, which when totaled equal no more than 12 months.
2. May use part of 12 months OPT before and part after graduation. To split OPT, students must apply and submit separate application fees for each period of OPT requested.

OPT After Graduation (Recommended)

1. May work anywhere in the U.S.
2. OPT after graduation is always granted for full-time work (21 hours per week or more).
3. There is a **90 day limitation on unemployment**. Students **MUST** work or volunteer for 21 hours or more per week. If they do not, then each day will count towards the 90 days of unemployment. Once students accumulate the 90 days, they are in violation of their status.
4. Students may work in more than 1 job.

Transfer During or After OPT

1. Students may take classes part-time (11 credits or less) during OPT.
2. Students should apply to the school, be accepted, and then let the school know of their intention to only take classes part-time while they are doing OPT.
3. The new school may give students a transfer or release form. Student should submit this form to HIC **ONLY IF** they plan to stop their OPT and take classes full-time.
4. If students start taking classes full-time (12 or more credits), their OPT will automatically be cancelled.

Not Graduating After Applying For OPT

1. If a student applies for post-completion OPT but does not complete the academic program as expected, the student **MUST** contact HIC to discuss their options further as soon as possible.
2. Student may be able to continue OPT part-time only and finish up the remaining class(es) at KCC. Once the academic program is completed, the student can work full-time for the remaining time.
