UHCC Initiative

## Part-Time Initiative

- Part-time learners face barriers classified as attitudinal, institutional, or situational.
- Longer it takes to earn degree or transfer to a 4-year institution, lessens likelihood that a student will achieve success.
- Part-time students enrolled in 6-8 credits per semester are a concern.
- UHCC Part-Time Student Committee's charge is to help the UHCC better understand needs, obstacles, and opportunities for success.
