1. Graduation Rate

The cumulative graduation rate for students admitted to the Physical Therapist Assistant (PTA) Program is listed below. The rate is based on students who successfully completed all program academic and clinical requirements within three years of starting the program.

Class of 2013 (start August 2012) – graduation rate = 80.0 % (16/20) graduation date August 2013
Class of 2014 (start August 2013) - graduation rate = 78.3 % (18/23) graduation date August 2014
Class of 2015 (start August 2014) - graduation rate = 68.9 % (11/16) graduation date August 2015

Three-year average (classes 2013-2015) = 75.7%

2. Employment Rate

The employment rate for graduates of the PTA Program is listed below. Employment rate is based from 6 months post- graduation and licensed as a PTA per CAPTE requirement. Employment rate is calculated for full-time and part-time employment. Employment rate is for employment within the United States and not just Hawai`i.

Class of 2013 (start August 2012) = 81.3%
Class of 2014 (start August 2013) = 88.9%
Class of 2015 (start August 2014) = 45.5%  (5 of 11 licensed PTAs)

Three year average (classes 2011-2013) = 71.9%

3. Pass Rate on NPTE as of February 3, 2016 report.

The cumulative pass rate includes students who required more than one attempt to pass the examination for program graduates per year.

Class of 2013 (start August 2012) = 92.9% (13 out of 14) (2 have not applied for the examination)
Class of 2014 (start August 2013) = 88.2% (15 out of 17) (1 has not applied for the examination)
Class of 2015 (start August 2014) = 62.5% (5 out of 8) (3 are scheduled for the next available examination date)

Three year average (classes 2013 - 2015) = 81.2%
