Dear Kapi‘olani Community College Graduates,

William Jennings Bryan is quoted as saying, "Destiny is no matter of chance. It is a matter of choice. It is not a thing to be waited for, it is a thing to be achieved."

Today, you have achieved a mighty first step in fulfilling your destiny. You’ve worked hard, sometimes under extremely difficult circumstances but you have prevailed. I am proud of you, proud of the family and friends that cheered you on, proud of the people who mentored you, proud of the faculty who inspired you, and thankful that you called Kapi‘olani Community College your ‘ohana.

Now, you are opening another door with another set of choices. Don’t be afraid to take a leap of faith and see where you land. You have been equipped with a new set of skills and experiences. Let what you have learned guide you to places beyond your imagination. Queen Kapi‘olani’s motto is, "Kūlia i ka Nu‘ u", which is "strive for the highest". May your graduation be the beginning of a bright future for you where you continue to strive to be the best you can be.

Congratulations!

MESSAGE FROM MAYOR KIRK CALDWELL

Aloha. I am pleased to congratulate the 2015 graduating class of Kapiolani Community College on this very special milestone in your lives. I join you, your family, parents, spouses, friends, and the faculty and staff of Kapiolani Community College in celebrating your accomplishment.

Your decision to seek a post secondary education was a wise one, as it will present more opportunities for you. The more education you obtain, the more doors you will open. For many of you, the choice to continue your education was challenging, and the path to this commencement daunting. You may have juggled work and a family while cramming for exams and rushing to your classes. I congratulate all of you for making the right choice, and for having the perseverance and commitment to seeing it through.

Mahalo to the dedicated faculty of Kapiolani Community College, where Hawaii’s cultural diversity is celebrated, championed, and reflected in its curriculum, support services, activities, and administration. Our community college system just commemorated its 50th anniversary, and through excellence in education, community leadership, and training, contributes to a diversifying state economy by preparing students to meet a critical and dynamic workforce.

As you turn the page to another chapter in your life, ready to transform your hard work and dreams into reality, may you remember the words of Eleanor Roosevelt: “The future belongs to those who believe in the beauty of their dreams.”

On behalf of the people of the City and County of Honolulu, I extend best wishes and amazing dreams to all of you.

Kirk Caldwell

Dear graduates,

Congratulations on your accomplishments. You did it!

Today marks the completion of your degree or certificate at Kapi‘olani Community College, but it’s certainly not the end of your learning. After all, the ceremony is called “Commencement,” which means “beginning.” Today also marks the beginning of the next chapter of your life, where you will continue to learn and grow in your chosen profession and in your personal life.

It is customary to offer words of advice in commencement addresses. So here goes. We encourage you to find your passion, to find the work that energizes you. The majority of your waking hours for the next 30 years may be spent doing this work, so finding a fulfilling career is super important. Working hard is super important, too. In the words of one great entrepreneur, Vidal Sassoon: “The only place where success comes before work is in the dictionary.”

Enjoy this day with your family and friends. You’ve earned it! Remember that you will always be part of the Kapi‘olani Community College ‘ohana and that KCC will always be your home.

Louise Pagotto
Vice Chancellor for Academic Affairs

Brenda Ivelisse
Vice Chancellor for Student Affairs
Liberal Arts Graduates,
Please accept my congratulation as you graduate this evening! Commencement is a time to recognize and celebrate your achievements with friends and loved ones. It marks the time when you “commence” on the next steps of your life. Whether you choose to immediately pursue a career or continue towards a four-year degree, I am confident that you now have the knowledge and skills to succeed.

After you graduate from Kapi‘olani and leave our beautiful campus, I encourage you to work hard to make a difference in your family, make a difference in your community and make a difference in the world. We expect great things from you. Again, please accept my congratulations!

Me ke aloha pumehana,
Charles S. Sasaki

Aloha Graduates,
I want to offer my heartfelt congratulations to our 2015 Kapi‘olani Community College graduates. I also want to acknowledge the family and friends of our graduates who have no doubt played a supportive role in the accomplishments of our graduates. My hope for you is that you continue to engage, learn, and achieve your dreams for the future… and always be true to yourself and your family! In the words of the great philosopher Dr. Seuss… "Be who you are and say what you feel, because those who mind don’t matter and those who matter don’t mind."

CTE Dean
Culinary, Hospitality, Business, Legal & Technology

Dear Health Sciences and Nursing Graduates,
As you walk across the stage today and graduate as a healthcare professional, you become a member of the team of healthcare champions within your family and community.

As a healthcare champion you can improve the health of people living in Hawai‘i and beyond by becoming an advocate for change in the way you think about health. The critical need is to change the way we think, live and practice our skills from the treatment of diseases to prevention of illness becoming a disease.

You can be that change as you join the healthcare workforce by helping to stop the development of some of the top preventable diseases – lung disease, heart disease, stroke, cancer, and morbid obesity.

Congratulations on successfully completing your healthcare program and for choosing to be of service to others. You now have the skills and knowledge to be the healthcare champions for a healthier world.

Aloha,
Patricia O’Hagan

Pohākea nā kupu mai ke ahi ē
Kani ka pahu o Māui Kāneloa Papa`ena`ena ē
Ku palaha ko Kahaloa kūlou i ka ʻōlauniu
Kau mehameha māunuunu makawalu ē
Ma ka nu`u ka maluhia o ke kumupa`a
Ne`epapa kuilei i ka uka o Pi`olani ē

The spirit from the fire has burst forth
The drum of Māui Kāneloa and Papa`ena`ena ē resound
The ʻōlauniu winds of Kahaloa beckon to Ku palaha
And the thousandfold winds awaiti
Peacefulness is established at the summit
Together we walk inland to Pi`olani ē
