Due to the large volume of interest in the Health Careers Programs, we strongly recommend that all students participate in an in-person information session prior to seeking walk-in advising with a counselor. Additionally, all First Year college students are encouraged to attend a new student orientation (NSO) prior to seeking walk-in advising. Transfer students should review the Road Map to a Successful Semester on the Transfer-Year Experience website: http://tye.kapiolani.hawaii.edu/ prior to seeking walk-in advising. The First Year Experience Office can be reached at (808) 734-9245 / http://tye.kapiolani.hawaii.edu and the Transfer-Year Experience Program may be reached at kaptye@hawaii.edu.

Pre-Health Preparation and Application Information

Interested students should attend one or more of the mandatory Information Sessions to learn more about the different Health Sciences and EMS programs and their admission requirements. Once qualified for a program of interest, applicants must submit a UH System application (if not currently enrolled within the UH System) and a KCC Selective Admission Application for the program of interest by the posted deadline. Students on probation or suspension or having a GPR below 2.0 are not eligible to apply. Priority selection is given to Hawaii State residents; nonresidents will be considered after all qualified residents have been accommodated. A grade of “C” or higher must be maintained in all prerequisites, support courses, and program requirements to continue in the programs.

Dental Assisting (IDENT) Program

Dental Assistants work with dentists during examination and treatment of patients. They prepare patients for various procedures, pass and retrieve instruments and materials, operate the high-volume evacuation system, and implement OSHA-recommended infection control procedures. Dental assistants are often responsible for providing follow-up oral health care information to patients.
