Kapiolani Community College
Radiologic Technology Program Admissions Assessment (A²) Information Sheet

What is the A²?
An online Admissions Assessment which is required for RAD applicants. All applicants must achieve a minimum score of 75% in all five content areas to qualify for admission.

When do I take the A²?
Tests must be taken during the program application period. Refer to the “Testing Schedule” section for testing dates and registration period.

How often can I take the A²?
You may take the test once per application period. Results are valid for that application period only.

How do I register?
Submit the registration form with a money order, cashier's or bank check for $38 payable to Kapiolani Community College.

*CASH OR PERSONAL CHECKS WILL NOT BE ACCEPTED.* The registration form must be postmarked or hand-carried to the Health Sciences office by the registration deadline. Late registrations will NOT be accepted.

Description of Content Areas:

Reading Comprehension – written scenarios used to measure reading comprehension: identifying the main idea, finding meaning of words in context, passage comprehension, making logical inferences, etc.

Vocabulary and General Knowledge - vocabulary terms commonly used in both general English-speaking settings and in health care fields.

Grammar - basic grammar, including parts of speech, important terms and its use in grammar, and commonly occurring grammatical errors.

Math - math skills needed for health care fields, including basic addition, subtraction, multiplication, fractions, decimals, ratio and proportion, household measures, and general math facts useful for calculating drug dosages and solutions.

Anatomy & Physiology - general terminology and anatomical structures.

How do I prepare for the A²?
Review related class notes for the Content Areas outlined above. HESI A² review books are also available to order online.
