INTRODUCTION
ABOUT THE INSTITUTION
The University of Hawai‘i System (UH System) is currently comprised of three 4-year institutions and seven 2-year institutions (community colleges), one of which is Kapi‘olani Community College.

Kapi‘olani Community College is the state's largest comprehensive community college with technical, occupational and professional programs in business education, foodservice and hospitality education, and nursing. It offers the state's most successful university transfer program as well as a well-respected STEM (Science, Technology, Engineering, and Mathematics) program. Nationally, Kapi‘olani Community College has been recognized for its programs in health sciences and education for emergency medical services. Locally, KCC is well known for its culinary program. Other students attend Kapi’olani Community College as a starting point before moving on to the University of Hawai‘i at Mānoa and other four-year universities to complete a bachelor's degree.

Of all the community colleges in the University of Hawai‘i System, KCC has the largest liberal arts student body with over (on average) 10,000 students enrolled annually. The
campus has one of the nation's largest international student bodies and attracts students from over 100 nations including very large numbers of students from Japan, Korea, China, and Hong Kong because of its programs of study, links to the University of Hawaii – Mānoa, and proximity to Waikiki.

Originally located at Pensacola Street and Kapiʻolani Boulevard (from which the school gets its name), adjacent to President William McKinley High School in the Makiki community, Kapiʻolani Community College was established in 1946 as Kapiʻolani Technical College. The school was administered by the Territory of Hawaiʻi as one of its chief vocational schools, specializing in food service. In 1965, its curricula was modified and the college became an open-door public college administered by the University of Hawaiʻi. As part of the realignment of programs, the school adopted its current name.

Kapiʻolani Community College gained national attention in 1976 when radiology instructors Roland Clements and Harry Nakayama developed a new hip x-ray technique. In 1986, Kapiʻolani Community College’s respiratory care program won a national award as an outstanding vocational education program. Also in the late 1980s, Gallaudet University Regional Center opened at the Fort Ruger campus.

GEOGRAPHICAL LOCATION
Kapiʻolani Community College lies on the opposite slope of Diamond Head, across from the entrance to the Diamond Head National Monument. The main campus can be found at 4303 Diamond Head Road and is bordered by Diamond Head Road (Northwestern Border), Kilauea Avenue (Southeastern Border), 18th Ave (Northeastern Border), and Makapuu Ave (Southwestern Border), see Appendix C for the campus location and map. KCC also utilizes spaces in the neighboring Leahi Hospital, located at 3675 Kilauea Avenue, for teaching.

A third location, the Diamond Head Theater parking lot, is used for overflow parking. Its boundaries include Alohea Ave (southwest) intersecting with Pokole Street (northwest), which converge with the Leahi Hospital property line continuing to the rear of the Diamond Head Theater.

In June of 2017, the Culinary Institute of the Pacific (CIP), located at 4500 Diamond Head Road, was officially opened and is managed by Kapiʻolani Community College. It features advanced continental, Asian and food innovation culinary training. The CIP is bordered by Diamond Head Road, Wauke Street and Diamond Head Crater.
The campus population includes more than 10,000 credit and noncredit students each semester. On any given semester, depending on our student population size, the campus employs approximately 500 full and part-time employees.

As defined by the *Clery Act*, the disclosure of statistics for certain reportable crimes will be based upon the location of the crimes. Maps that delineate the *Clery Act* geographical boundaries for the four sites are located in Appendix C.
SPECIFIC FEDERAL LAWS REQUIRING SAFETY- AND SECURITY-RELATED DISCLOSURES

In 1990, Congress enacted the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101-542) that was later amended and renamed the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (also known as the Clery Act).

The Clery Act requires all postsecondary institutions that participate in the Higher Education Act (HEA) Title IV student financial assistance programs, to meet annual performance measures related to safety, security, and emergency management. One such measure is to publicly disclose specific crime statistics and safety- and security-related information by way of an Annual Security Report (ASR) which must be published and disseminated (or provide notice of its availability) by October 1 of each year.

In 2008, the Higher Education Opportunity Act (HEOA; Public Law 110-315) was reauthorized and expanded the elements of the HEA. The HEOA further amended the Clery Act and created additional safety and security performance and disclosure requirements for postsecondary institutions.

The Violence Against Women Reauthorization Act of 2013 (Public Law 113-4) amended the Violence Against Women Act of 1994 (VAWA) which also added safety- and security-related performance and sexual assault requirements.

This Kapi‘olani Community College 2018 Annual Security Report has been published in accordance with the disclosure and information requirements of the current amended versions of the Clery Act, the HEOA, and the VAWA.

ANNUAL SECURITY REPORT

Kapi‘olani Community College is firmly committed to providing a safe and secure learning and working environment. Policies and procedures are designed to provide precautionary measures to protect persons and property. The entire Kapi‘olani Community College community should exercise good judgment and take appropriate precautions to reduce the possibility of becoming the victim of a crime–related event on campus.
The 2018 Annual Security Report (ASR) is prepared and published in compliance with the Higher Education Opportunity Act (HEOA) and the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act). These federal laws require colleges and universities to:

- Publish an annual security report containing three years of selected crime statistics and certain campus security policy statements.
- Disclose crime statistical data for the campus, public areas immediately adjacent to the campus, and specific non-campus facilities that are owned or operated by the college and university.

PREPARATION AND NOTIFICATION OF ANNUAL SECURITY REPORT

The Director of Safety and Emergency Management coordinates the collection, publication, and dissemination of the ASR for Kapi‘olani Community College. The primary source of statistical data comes from the Campus Security Office to whom crimes and incidents are generally reported. However, because not all incidents are reported to Campus Security, other sources are sought for statistical data. These sources include the following:

- Designated Campus Security Authorities (other than Campus Security)
- Honolulu Police Department
- Department of Public Safety-Sheriff Division
- Department of Land and Natural Resources, Division of Conservation and Resource Enforcement

Please note that only the statistics are collected. No identifiable information on the victim or suspect is disclosed to the college.

Upon completion of the annual report, a mass email notification is sent to all current students, faculty, and staff providing the website address to access this report.

A hard copy of this report is also available for viewing in the library (for review and reference only).

Current and prospective students and employees may make a request 36 hours prior to obtain one hard copy of the report from the Director of Safety and Emergency Management (contact 808–734–9334 or go to Ohia Building, room 103A). The ASR is also available online to current and prospective students, faculty, staff, and the general public at: http://go.hawaii.edu/Rvf
ASR POINT OF CONTACT INFORMATION
All communication related to this ASR is to be addressed in writing to the following office:

Kapiʻolani Community College
Attention: Director of Safety and Emergency Management
4303 Diamond Head Road, Ohia 103A
Honolulu, Hawaiʻi 96816

Should there be any amendment to this ASR, an email notice will be sent to the campus community. The cover page will reflect: “Revised as of: [Date]”). The revised version will also be posted on the campus website for public download.
CAMPUS SECURITY

OVERVIEW

Each Campus Security Department at each of the institutions in the University of Hawai‘i System is independently administered. Security services for Kapi‘olani Community College are administered through Kapi‘olani Community College’s Administrative Services Division. Security services are provided by the Campus Security Office. The unit is comprised of two (2) University Security Officer (USO) II positions and six (6) USO I positions. The College also contracts security services on a limited basis. These services are utilized to supplement the workforce and provide additional coverage as necessary.

Together, campus security officers and contract security officers provide patrol and other security services 24-hours a day, 365-days a year. The Campus Security Office is located in the Ohia Building on the first floor, Room 104. Security officers are available by telephone at (808) 734-9900 or by campus telephone at x9900.

ENFORCEMENT

USO’s are charged with upholding federal, state, and local laws in addition to the rules, regulations, and policies governing the University of Hawai‘i and Kapi‘olani Community College. In addition, USO’s and contract security personnel are non-sworn and unarmed. Security officers may detain individuals involved in the violation of laws and those involved in criminal acts they personally view, or those positively identified as having committed such an act by victims or witnesses until such time that the Honolulu Police Department (HPD) arrives to take custody of the individual(s). Any campus incident requiring an arrest is referred to HPD.

The Campus Security Office remains in communication with HPD and will occasionally work with other law enforcement agencies including the State of Hawai‘i’s Department of Public Safety (DPS) and the Federal Bureau of Investigation (FBI). Campus Security maintains an open and reciprocal relationship with these agencies utilizing their resources and expertise to gather crime-related information, reports, and statistics. The HPD is the primary investigating agency for all criminal activity that occurs on all University of Hawai‘i campuses, including Kapi‘olani Community College.

Kapi‘olani Community College and the Honolulu Police Department, City and County of Honolulu, have a Memorandum of Understanding Relating to Communications and Procedures Regarding Reports of Sexual Assaults on Campus. This Memorandum of
Understanding sets forth the responsibilities of each party for a cooperative effort regarding communications and procedures for addressing sexual assault, occurring on Kapi‘olani Community College’s campus. Though no other formal agreements exist between the agencies, Kapi‘olani Community College, as a state-level agency, is recognized in local-, state- and federal-level emergency management plans. The law enforcement agencies are also identified in those plans as members of the State Law Enforcement Coalition (SLEC). Certain federal and state-sponsored training for SLEC personnel are often opened to include Kapi‘olani Community College personnel.

ENFORCEMENT AND CAMPUS SECURITY’S RELATIONSHIP TO THE STUDENT CONDUCT CODE

The University of Hawai‘i (UH) System “Student Code of Conduct” (Executive Policy E7.208 University of Hawai‘i System-Wide Student Conduct Code) Section IV.A: Jurisdiction of the UH Student Conduct Code, states: “The UH Student Conduct Code shall apply to conduct that occurs on UH premises, at UH sponsored activities, in distance/online courses and events, and to off-campus conduct that affects the UH Community and/or the pursuit of its objectives. Each student shall be responsible for his/her conduct from the time of application for admission through the actual awarding of a degree. Conduct that occurs before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if his/her conduct is not discovered until after a degree is awarded), is subject to the Student Conduct Code.” Additionally, Section IV.B: Conduct - Rules and Regulations, item #8 states: “Failure to comply with any directions of UH officials or law enforcement officers acting in the performance of their duties and/or failure to provide identification to these persons when requested to do so.”

In order to maintain a safe and secure educational environment, Kapi‘olani Community College Campus Security personnel may encounter circumstances that will require obtaining personal identity information from students at on- and off-campus properties, as well as requiring acceptance of guidance and direction.

Students are encouraged to review their “Student Code of Conduct” and in order to better assist the campus administration in their endeavor to help preserve a positive learning environment for all. Others in the campus community such as faculty, staff, and contractors are guided by their respective provisions of conduct as identified by their employers.
The Student Conduct policy can be found at:

SECURITY WORKFORCE TRAINING
State-Employed USOs are licensed professionals with the State of Hawai‘i, Department of Commerce and Consumer Affairs (DCCA), in accordance with the Hawaii Revised Statute (HRS) Chapter 463–10. In addition to completing the training requirements for licensure, USOs must also complete initial certification and, thereafter, regular recertification/refresher training on cardiopulmonary resuscitation/first aid/automated external defibrillator; defensive tactics training; safe operation of motorized vehicles; safety measures to mitigate against bloodborne pathogen exposure; and, safety measures in response to fire/chemical hazards.

USOs also are trained on their responsibilities under the Clery Act; and, they are required to complete courses in the National Incident Management System (NIMS) and the Incident Command System (ICS), which are the operational, and command/control protocols utilized by all first responder agencies throughout the nation.

Contract security personnel are subject to the same DCCA licensure requirements as the USOs. Contract personnel who are assigned to any University of Hawai‘i Community College are also expected to meet all the initial certifications and recertification/refresher training requirements as the USOs (with the exception of the defensive tactics training). Additionally, contract security personnel must also complete NIMS/ICS training.

CRIME PREVENTION SERVICES
Security officers, including contract security, conduct regular patrolling of the campuses by either vehicle and/or by foot. Security officers perform an array of public safety services, including, but not limited to:

- Working with victims and alleged victims in completing incident reports;
Investigating crimes and working with other college or university offices, or law enforcement, in meeting all internal investigation requirements under federal law;

POLICY STATEMENTS

TIMELY WARNINGS

In the event that a significant emergency or dangerous situation arises on campus that poses an **immediate** threat to the health or safety of employees or students, a timely warning message will be sent. These messages will continue to be sent as long as there is an **ongoing** threat.

Such warnings shall be provided to students and employees in a manner that is timely, that withholds the names of victims as confidential, and that will aid in the prevention of similar occurrences.

Any of the following communication methods may be used to issue the timely warning messages; emergency text message alerts, prominent postings on the Kapi’olani Community College website, broadcast email and voicemail, social media outlets (i.e., Facebook, Twitter), “Code Blue” emergency telephone public address system, and emergency broadcast enunciator system. In the majority of circumstances, timely warning messages will be communicated via the UH Alert System. Fliers and other informational materials may also be posted in campus buildings, bulletin boards, and digital signage display screens to inform students, faculty, and staff of ongoing safety concerns.

The **timely warning** notification will be developed an issued by one of the following offices, depending upon the circumstances of the situation: Chancellor’s Office, the Vice-Chancellor for Administrative Services Office, Vice-Chancellor for Academic Affairs Office, or the Director of Safety and Emergency Management.
Examples of significant emergencies or dangerous situations include, but are not limited to:

- The outbreak of serious illness;
- Imminent weather conditions such as hurricanes and storms;
- Gas leaks and other biohazard and chemical spills;
- Terrorist incidents;
- Explosions;
- Violent persons.

Certain incidents and situations may not require a timely warning notification but are important in nature to communicate. For example, power outages, road conditions, and facility closures may necessitate an emergency communication to ensure campus and public safety. In these circumstances, informational messages and advisories will be sent via e-mail.

Kapi‘olani Community College is not required to issue a timely warning with respect to crimes reported to pastoral or professional counselors.

Anyone with information that may warrant a timely warning notification should report the circumstances to the appropriate law enforcement or campus authorities:

- Campus Security Office at x9900 (on-campus telephone) or (808) 734-9900, or in-person at the Campus Security Office, Ohia Building, Room 104.

Upon receipt of information from a reliable source and/or upon visual observation of an incident or situation that represents a significant emergency or dangerous situation, Campus Security will immediately contact the Vice-Chancellor for Administrative Services, or designee acting in his/her capacity, to provide information on the incident/situation. The Vice-Chancellor for Administrative Services will make a determination or, as necessary, convene the campus Emergency Management Team to discuss and determine the immediate actions steps. A timely warning will be immediately sent out via UH Alert, if available, or any other method(s) to ensure the campus is informed. Messages will continue as new information presents itself or the situation is closed.
REPORTING OF CRIMINAL OFFENSES

Students, faculty, and staff are encouraged to immediately and accurately report any on-campus emergency, criminal offense, or suspected criminal activity. Prompt reporting improves campus security and law enforcement’s ability to investigate the situation and to apprehend suspects and/or prevent potential crimes. Incidents should be reported to one of the following:

- Honolulu Police Department (HPD) at 911.
- Campus Security Office at x9900 (on-campus telephone) or (808) 734-9900, or in-person at the Campus Security Office, Ohia Building, Room 104.

As an option, criminal offenses may also be reported to campus officials who are designated as Campus Security Authorities (CSA’s). CSA’s will assist with the notification procedures to proper security or law enforcement authorities as necessary and incidents reported to CSA’s will be included in the annual security report crime statistics. Please refer to Appendix A of this report for more information on CSA’s.

Although exempt from the reporting requirements of the Clery Act, pastoral and professional mental health counselors are encouraged to refer persons they are counseling to report crimes on a voluntary, confidential basis, especially if the incident poses an immediate or ongoing threat to the campus community. Crimes reported will be included in the annual security report crime statistics.

All campus incident reports are recorded in the Campus Security Office and disseminated to the Director of Safety and Emergency Management and to the Vice-Chancellor for Administrative Services Office. Incident reports involving students are also distributed to the Vice-Chancellor for Student Affairs for review and potential action via the student judiciary process.

VOLUNTARY – CONFIDENTIAL REPORTING

If you are a witness to, or victim of a crime and do not wish to pursue action within the college judicial system or criminal justice system, you may still want to consider making a confidential report. In certain instances, with your permission, the Campus Security Office can report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With the disclosure of this information, the college can keep an accurate
record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution and in the Daily Crime Log. If complete anonymity is requested, please be aware, however, that an anonymous report may not be enough for us to pursue further action against an individual or ameliorate a dangerous situation, unless witnessed by a campus official or others who will provide witness.

Individuals should be aware that for certain types of gender-based misconduct, the Campus Security Office CANNOT accept confidential reports. Specifically, if the Campus Security Offices receives any crimes involving sexual discrimination, sexual harassment, gender-based harassment, sexual exploitation, sexual assault; domestic violence; dating violence; and/or stalking, it must report that to the College’s Title IX Coordinator. If one wishes to make a confidential report regarding gender-based misconduct, Kapi’olani Community College has on-campus, confidential resources available at https://www.kapiolani.hawaii.edu/regulations-policies-and-data/sexual-respect-title-ix/confidential-counselors/. Please be aware that the College’s duties with respect to minors (those under the age of 18) may require reporting sexual misconduct incidents to state agencies and/or local law enforcement. As a result, confidentiality cannot be guaranteed in sexual misconduct incidents involving minors.

DISCLOSURES TO ALLEGED VICTIMS
Kapi’olani Community College will, upon written request, disclose to the alleged victim of a crime of violence, or any crime/incident defined under the Violence Against Women Act, the results of any disciplinary hearing conducted by the College against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, the College will provide the results of the disciplinary hearing to the victim’s next of kin, if so requested.

DAILY CRIME LOG
The Campus Security Office maintains a Daily Crime Log that records all crimes and incidents that occur within the Clery Act defined geographical boundaries. The Daily Crime Log includes the nature, date, time, and general location of each crime reported as well as the disposition of the incident. The Daily Crime Log is available for public inspection at the Campus Security Office (Ohia Building, Room 104).
EMERGENCY RESPONSE AND EVACUATION PROCEDURES

Kapi‘olani Community College maintains an Emergency Management Plan (EMP) that provides procedures for managing and responding to emergencies that may threaten the health and/or safety of the campus community and/or disrupt the College’s programs and activities. The EMP outlines necessary emergency preparedness requirements and identifies organizations and individual positions responsible for emergency preparedness, response, and recovery.

The EMP is designed to provide an organized management system for the campus to follow during times of emergencies. The system is flexible whereby part of or the entire plan may be activated, as appropriate to the situation. Emergency response leadership at Kapi‘olani Community College will be provided by the Emergency Management Team (EMT). It is drawn from the College’s senior administration, academic leaders, and other key personnel. The EMT is responsible for conveying a team of administrators and information obtained from security to review emergency situations that may arise and determine how to proceed.

All campus classrooms and faculty and staff offices are required to post and have available the institution’s Emergency Reference Guide. The Emergency Reference Guide is a quick reference flipchart that provides step-by-step procedures on various emergency scenarios as well as providing a telephone directory of campus and community resources. Copies of the Emergency Reference Guide are available in the Vice-Chancellor for Administrative Services Office.

Members of the campus community are advised on an annual basis that they are required to notify the Campus Security Office of any situation or incident on campus that involves a significant emergency or dangerous situation that may involve an immediate or ongoing threat to the health and/or safety of students and employees. The Campus Security Office has the responsibility of responding to, and summoning the necessary resources, to mitigate, investigate, and document any situation that may cause a significant emergency or dangerous situation. In addition, the Campus Security Office has a responsibility to respond to such incidents to determine if the situation does in fact, pose a threat to the community. If the threat is verified, federal law requires that the institution immediately notify the campus community of this situation.

On an annual basis, the campus shall conduct a test of its emergency response and evacuation procedures. Such test may be announced or unannounced. It will also
publicize its procedures in conjunction with the at least one test per calendar year and
document for each test a description of the exercise, the date, time and whether it was
announced or announced.

**CAMPUS NOTIFICATION ABOUT AN IMMEDIATE THREAT**

Upon confirmation that a significant emergency or dangerous situation poses an
immediate threat to the health and/or safety of some or all members of the campus
community, the institution will immediately notify the campus community and
activate all or a portion of the College’s EMP.

Based on information received, confirmation of the significant emergency or
dangerous situation shall be primarily conducted by the Campus Security Officers and
Auxiliary Services department staff through physical investigation and as personal
safety allows. The information shall be relayed to the Emergency Management Team
(EMT). The EMT is comprised of the Vice Chancellor for Administrative Services, Vice
Chancellor for Academic Affairs, Dean for Arts and Sciences, Executive Assistant to the
Chancellor and Department Chair for Culinary Arts.

Members of the EMT will collaborate to determine the nature of the emergency,
appropriate response plans, and the content of the message that will be delivered to
the campus community. Students, faculty and staff shall be immediately notified of all
significant emergencies or dangerous situations.

The EMT will initiate the notification systems, unless issuing a notification will, in the
judgment of authorized first responders (e.g., Honolulu Police Department, Honolulu
Fire Department, Emergency Medical Technicians), compromise the efforts to assist a
victim or to contain, respond to, or otherwise mitigate the emergency.

Various communication methods are used by the campus to alert students, faculty,
and staff of emergencies or dangerous situations. Some or all of these methods of
communication may be activated in the event of an immediate or ongoing threat to the
campus community: emergency text message alerts, prominent postings on the
College’s website, broadcast email and voicemail, social media outlets (i.e., Facebook,
Twitter), “Code Blue” emergency telephone public address system, and emergency
broadcast enunciator system. Fliers and other informational materials may also be
posted in campus buildings, bulletin boards, and digital signage display screens to
inform students, faculty, and staff of ongoing safety concerns.
In the event there is an immediate threat to the health or safety of students or employees occurring on campus, the campus will follow its emergency notification procedures and is not required to issue a timely warning based on the same circumstances. However, the campus will post frequent and regular updates during a critical incident on the College’s website main page: http://www.kapiolani.hawaii.edu/

Members of the campus community including all students, faculty, and staff, are encouraged to voluntarily enroll in the University of Hawai‘i’s UH Alert Emergency Notification System. UH Alert includes broadcast email and text message delivery options that may be used to alert the campus community of natural, health, or civil emergencies. The website for UH Alert enrollment is as follows:
http://www.hawaii.edu/alert

ACCESS AND SECURITY OF campus FACILITIES
Kapi‘olani Community College allows for the use of campus facilities by students, faculty, staff, affiliated organizations, and non-affiliated groups as long as appropriate facility use guidelines are adhered to. The campus closes at 10:00 p.m. After 10:00 PM, the College asks that the campus be vacated unless specific arrangements have been made for the campus community and/or the general public to attend educational, cultural, or recreational performances or events. These requests can be made via Facility Use request through the Vice-Chancellor for Administrative Services. If you are present for authorized business or attending a campus sponsored meeting or event after 10:00 PM, you may be questioned as to your activities by a security officer. This is done to ensure that the campus remains a safe environment, particularly during late night hours. During these times, access for students, faculty, staff, and guests is limited to the facilities in which these authorized meetings or events are held.

The Campus Security Office will be notified of all meetings and events prior to the day of the event/meeting to address safety and security concerns and to assist in security officer scheduling if necessary.

The College does not have any residences on its campus.

CRIME PREVENTION AWARENESS PROGRAMS

The College’s crime prevention awareness programs are based upon the dual concept of eliminating or minimizing opportunities for crime while encouraging students and employees to assume responsibility for their own safety and the safety of others by taking common-sense precautionary measures. The following is a listing of the crime prevention programs offered by Kapi‘olani Community College:

- **Escort Service**: Campus Security Officers provide walking escort services for anyone when requested during the evening hours, or as circumstances may require. An escort may be requested by calling x9900 or (808) 734-9900. Security escorts will walk the requestor to a College facility or vehicle parked on, or within the campus boundaries as defined by the Clery Act.

- **Facilities and Grounds Surveys**: All potential safety and security hazards observed by security officers are promptly reported to the appropriate individual/unit for corrective action. The Security Supervisor participates in the review of safety issues and related concerns.

- **Crime Prevention and Safety Outreach Programs**: Various crime prevention and safety educational and informational programs are delivered to students and employees through various outlets including, but not limited to, the following; the Annual Security Report, the College website, special workshops, seminars, and presentations, email notification, the campus bulletin, crime prevention and awareness posters and packets, bulletin boards, and digital signage display screens. These programs focus on developing sound personal safety and property protection habits and to actively practice crime prevention. Periodically, in cooperation with other college or University of Hawai‘i units and departments, seminars are presented on sexual assault, harassment, workplace violence, and other crime awareness and prevention topics.
**UH Alert System** – The UH Alert System (UH Alert) is managed by the University of Hawaii System’s Information Technology Services Department. UH Alert has the capability to send timely emergency information in the form of text messages and/or email directly to subscribers whose accounts are on the most recently updated University of Hawaii System’s “UH Username” list. To sign up, go to: [https://www.hawaii.edu/alert/](https://www.hawaii.edu/alert/).

Please note that your UH Alert subscription will be terminated when your account is unsubscribed from the UH Alert System upon termination of your relationship with the University. Students, faculty, and staff are encouraged to sign up for the UH Alert System (at no charge) to receive text or email notification of security issues.

According to HRS 711-1111(d), “Electronic communication” means “any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or part by a wire, radio, electromagnetic, photoelectronic, or photo-optical system.”

Consent

Hawai‘i’s Penal Code does not define “consent” with regard to sexual activity.

With regard to sexual assault crimes, Hawai‘i law has defined what constitutes “ineffective consent” in HRS § 702-235:

Unless otherwise provided by this Code or by the law defining the offense, consent does not constitute a defense if:
(1) It is given by a person who is legally incompetent to authorize the conduct alleged; or

(2) It is given by a person who by reason of youth, mental disease, disorder, or defect, or intoxication is manifestly unable or known by the defendant to be unable to make a reasonable judgment as to the nature or harmfulness of the conduct alleged; or

(3) It is given by a person whose improvident consent is sought to be prevented by the law defining the offense; or

(4) It is induced by force, duress or deception

Kapiʻolani Community College uses the definition of Consent provided in EP 1.204 for purposes of determining whether there was a policy violation for the prohibited conduct of sexual exploitation or sexual assault. EP 1.204 § II(C)(2)provides:

Consent is affirmative, conscious, and voluntary agreement to engage in agreed upon forms of sexual conduct.

A person cannot give Consent if the person is under the age of consent, for sexual contact, the person is developmentally or intellectually disabled to the extent they are incapable of providing consent, or the person is mentally incapacitated or physically helpless.

Lack of protest or resistance cannot be interpreted as Consent. Silence cannot be interpreted as Consent. Consent must be ongoing throughout any sexual any sexual contact and can be revoked at any time.

The existence of a dating relationship, domestic partnership or marriage between the persons involved, or the existence of past sexual relations between the persons involved, is never by itself an indicator of Consent.

SEX DISCRIMINATION AND GENDER-BASED VIOLENCE EDUCATIONAL PROGRAMS
In an effort to reduce the risk of gender-based violence, as well as the crimes of rape, sexual assault, sexual harassment, stalking, dating violence, and domestic violence occurring among its students, Kapi‘olani Community College utilizes a range of campaigns, strategies, and initiatives.

It is the policy of Kapi‘olani Community College to offer programming to identify and prevent domestic violence, dating violence, sexual assault, and stalking each year.
Programs to prevent dating violence, domestic violence, sexual assault, and stalking means comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to end dating violence, domestic violence, sexual assault, and stalking that –

- Are culturally relevant, inclusive of diverse communities and identities sustainable, responsive to community needs, and informed by research or assessed for value, effectiveness, or outcome; and
- Consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community, and societal levels.

Programs to prevent dating violence, domestic violence, sexual assault, and stalking include both primary prevention and awareness programs directed at incoming students and new employees and ongoing prevention and awareness campaigns directed at students and employees. Kapi‘olani Community College's programming efforts include both primary prevention and awareness programs.

Primary prevention programs are defined as programming, initiatives and strategies intended to stop dating violence, domestic violence, sexual assault and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

Awareness programs are defined as community-wide or audience-specific programming, initiatives and strategies that increase audience knowledge, and share information and resources to prevent violence, promote safety and reduce perpetration.

Ongoing prevention and awareness campaigns mean programming initiatives and strategies that are sustained over time.

Kapi‘olani Community College’s primary prevention and awareness programs and ongoing prevention and awareness campaigns, included but are not limited to:

a. **Training for Incoming Students and Employees.** All incoming students and new employees at Kapi‘olani Community College are provided access to online
training. Students and employees are also afforded the opportunity to take these trainings on an annual basis.

Students are offered the opportunity to take UH CampusClarity Online Student Training Program on Sex-Discrimination and Gender-Based Violence (“CampusClarity”). CampusClarity is an educational tool for students to learn about sex-discrimination, gender-based violence, and the rights and resources available to them on the campus and in the community. The curriculum covers Title IX, VAWA, and relevant Hawaii State law. The training establishes standards for what constitutes sexual violence and how to respond to problematic situations. Because these problems occur on both an intimate and institutional level, the training takes a look at these issues from a personal and academic lens. There are four parts to the training:

- Part I – Foundations: Looks at the big picture and pinpoints the roots of the problem.
- Part II – Academic Life: Teaches skills to create and maintain a supportive environment.
- Part III – Personal Life: Teaches how to identify abusive relationships and sexual violence.
- Part IV – Taking Action: Explore practical strategies to do something about sexual misconduct.

For more information on CampusClarity please visit: https://www.hawaii.edu/titleix/documents/7619/.

Kapiʻolani Community College is currently in the process of procuring new online bystander training for students. If an appropriate training is procured, the College intends to make it available to incoming students during the Spring 2019 semester.

Employees are strongly encouraged to participate in the online training Intersections: Anti-Harassment – Title VII – Title IX – VAWA Section 304 (“Intersections”). Intersections trains employees to recognize, prevent, and respond to workplace harassment and discrimination based on “protected characteristics.” The course also helps employees address inappropriate behavior before it creates a “hostile work environment” by giving employees the skills necessary to reduce potential legal risks by recognizing and addressing abusive behavior and other misconduct, including microaggressions and unconscious bias that may lead to workplace bullying or hostility, reducing productivity and creativity.
Intersections invites employees to consider the nature of harassment and discrimination, and provides practical tips on creating a safe, inclusive environment for work, including safe and positive options for bystander intervention.

- Part I provides employees with a learning experience that is driven by narratives and immersive interactions. These interactive exercises engage employees with realistic situations and tasks, and cover all aspects of an employee’s role in promoting a harassment and discrimination-free workplace.

- In Part II: Protecting Students, employees are trained in how to identify and report sexual and interpersonal misconduct against students, covering awareness and prevention subjects required by Section 304(a)(5) of the Violence Against Women Reauthorization Act of 2013 (known as the “Campus SaVE Act”), as well as Title IX of the Education Amendments Act of 1972. In addition, as required by the Campus SaVE Act, the course includes summaries of the legal definitions of consent, sexual assault, domestic violence, dating violence, and stalking, and provides copies of the relevant statutes for Hawaii.

For information on Intersections, please visit: https://www.hawaii.edu/titleix/training/.

Both CampusClarity and Intersections include:

- A statement that Kapi‘olani Community College prohibits the crimes of dating violence, domestic violence, sexual assault and stalking as those terms are defined for purposes of the Clery Act.
- The definitions (from VAWA) of “domestic violence,” “sexual assault” and “stalking.”
- The definitions of “domestic violence,” sexual assault” and “stalking” as those terms are defined by the Hawai‘i Revised Statutes. “Dating violence” and “consent” are not terms that are defined by the Hawai‘i Revised Statutes.
- The definition of “consent” used by Kapi‘olani Community College in applying EP 1.204.
- A description of the procedures Kapi‘olani Community College will follow when dating violence, domestic violence, sexual assault, and/or stalking is reported.
- A description of safe and positive options for bystander intervention. Bystander intervention is defined as safe and positive options that may be
carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes:

- Recognizing situations of potential harm;
- Understanding institutional structures and cultural conditions that facilitate violence;
- Overcoming barriers to intervening;
- Identify safe and effective intervention options; and
- Taking actions to intervene.

- Information on risk reductions. Risk reduction is defined as options designed to:
  - Decrease perpetration and bystander inaction;
  - Increase empowerment for victims in order to promote safety; and
  - Help individuals and communities address conditions that facilitate violence.

b. **Pau Violence program.** During the Fall and Spring semesters, Kapiʻolani hosts events as a part of the PAU Violence program. PAU Violence is a University of Hawaiʻi system-wide program supported by the Hawaiʻi State Department of Health, Maternal and Child Health Branch. The Women’s Center at UH Mānoa assists in coordinating, supporting and strengthening all system campus efforts with prevention education, events and trainings that raise awareness on issues of gender-based violence. These events include resource fairs, social media campaigns, suggested curriculum activities for instructional faculty, target training, and art projects.

c. **“Shots” Training.** Kapiʻolani Community College hosted trainings by the Sex Abuse Treatment Center focusing on its “SHOTS” film which explores the intersection between alcohol and sexual assault.

d. **Bystander intervention.** As noted above, Kapiʻolani Community College anticipates providing Bystander intervention online training to all incoming students during the Spring 2019 semester. The College also has Bystander intervention posters on display at strategic locations on campus. The “SHOTS” training also has a Bystander component.

e. **Peer Education Programs.** Kapiʻolani Community College also provides training to peer educators and student leaders. Student leaders are trained to present
trainings on healthy relationships, campus and community resources, and reporting options.

RISK REDUCTION – AWARENESS AND PREVENTION
Sexual misconduct and other forms of gender violence can affect anyone and is never the fault of the victim. Those who commit sexual misconduct are responsible for their actions. The University provides the following suggestions to increase awareness and reduce instances of sexual misconduct.

Awareness & Prevention for Dating Violence, Domestic Violence, Stalking, and Sexual Violence include:

- Look out for your friends, and ask them to look out for you. Respect them and ask them to respect you, but be willing to challenge each other about high-risk choices.
- Alcohol and drugs can be used as a tool to gain control over an intoxicated person. Don’t accept drinks from strangers and don’t leave your drinks unattended.
- Don’t take advantage of someone who may be under the influence of drugs or alcohol. Others’ loss of control does not put you in control.
- Individuals have a right to set boundaries and limitations in their intimate experiences and relationships. Consent is required each and every time. If a potential partner says “no,” accept it and don’t push.
- If you want a “yes,” ask for it, and don’t proceed without clear permission.
- Know the signs of isolating and controlling behavior. Healthy relationships consist of honesty, respect, trust, equality, and shared responsibility. Violence in a relationship is never deserved.
- Show your potential partner respect if you are in a position of initiating sexual behavior.
- Clearly communicate your intentions to your potential sexual partners. Make sure you understand their intentions and/or boundaries before you proceed. If you are unsure what’s OK in any interaction, ask.
- Understand that consent to one type of sexual behavior does not automatically grant consent to other types of sexual behaviors. If you are unsure, stop and ask.
- Avoid ambiguity. Don’t assume you have consent, regardless of whether someone is attracted to you, of how far you can go with that person, or if the
individual is physically and mentally able to consent. If you have questions or are unclear, you don’t have consent.

- Someone’s silence or passivity is not consent. Pay attention to verbal and non-verbal signals to avoid misreading intentions.
- Be on the lookout for mixed messages. That should be a clear indication to stop and talk about what your potential partner wants or doesn’t want to happen. That person may be undecided about how far to go with you, or you may have misread a previous signal.
- Respect the timeline for sexual behaviors with which others are comfortable, and understand that they are entitled to change their minds.
- Even if you don’t think you are intimidating in any way, your potential partner may be intimidated by or fearful of you, perhaps because of your sex, physical size, or a position of power or authority you may hold.
- Understand that exerting power and control over another through sex is unacceptable conduct.

Remember it’s always ok to ask for help. There are resources on campus and in the community that are there to assist you whether you are concerned about an incident that happened to you or a friend, the safety of your relationship, or your own choices and behaviors.

**RISK REDUCTION – BYSTANDER INTERVENTION**

Most people want to be engaged bystanders and help in difficult or uncomfortable situations but incorrectly assume someone else will take action.

**What is Bystander Intervention?** Bystander Intervention is a strategy based on the likelihood of individuals or groups willing to address a situation they believe is problematic. It is often used to address various types of violence, such as bullying, sexual harassment, sexual assault, intimate partner violence, stalking and other forms of gender-based violence. You are a bystander if you observe a situation. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene.

**What Can You Do to be an Engaged Bystander?**

Specific interventions can be divided into four main types (“The Four D’s”)
1. **DIRECT**: Say or do something that directly engages one or more of the parties involved

2. **DISTRACT**: Say or do something to interrupt the interaction

3. **DELEGATE**: Ask for the help of someone else who may be better able to intervene

4. **DELAY**: Check in with the victim or do something after the difficult moment or incident has passed

**Things to Consider Before You Act:**

1. Is the situation an emergency or nonemergency?

2. Should intervention be direct, indirect or both? To ensure intervention is safe, Kapi‘olani Community College encourages bystanders to evaluate the risk of intervening. If intervening means putting yourself in danger, call 911 instead.

**PROCEDURES IN CASE OF DATING VIOLENCE, DOMESTIC VIOLENCE, SEXUAL ASSAULT OR STALKING**

Kapi‘olani Community College is committed to preventing dating violence, domestic violence, sexual assault, and stalking. Kapi‘olani Community College offers the following crime prevention programs: (i) Escort Services; (ii) Emergency “Code Blue” Call Boxes; (iii) Facilities and Grounds Surveys; and (iv) Crime Prevention and Safety Outreach Programs. For additional information on these programs please refer to the Crime Prevention Awareness section of this report. Furthermore, Kapi‘olani also offers ongoing primary prevention and awareness programs. For additional information on these programs please refer to Sex Discrimination and Gender-Based Violence Education Programs section of this report.

**Confidentiality Statement.** Kapi‘olani Community College will protect the confidentiality of victims and other necessary parties. Identifying information provided to Kapi‘olani Community College’s Confidential Resources are not disclosed without the written consent of the individual. Campus Security is responsible for ensuring there is no personally identifying information about the victim in the Daily Crime Log and other publically available Clery records.

The University of Hawai‘i Legal Affairs and University General Counsel Office may be consulted in situations where the release of information under open records requests
Interim Measures are services, accommodations, or other assistance that the University puts in place on a temporary basis after receiving notice of a complaint and before any outcomes - investigatory, disciplinary, or remedial - have been determined. Interim measures vary in range from class schedule changes, no-contact orders, escorts, etc. Kapi‘olani Community College will maintain as confidential any Interim Measures implemented, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the specific Interim Measure.

**Procedures For Institutional Disciplinary Action In Cases Of Alleged Dating Violence, Domestic Violence, Sexual Assault, Or Stalking.** Interim Executive Policy 1.204 (EP 1.204) is a policy and procedure that establishes an integrated and consistent approach to preventing, reporting, and promptly responding to sex discrimination and gender-based violence across all campuses and centers at the University of Hawaii.

EP 1.204 provides that proceedings will include a prompt, fair, and impartial process from the initial investigation to the final result.

EP 1.204 includes reasonably prompt timeframes and allows for the extension of timeframes for good cause with written notice to the accuser and the accused of the delay and the reason for the delay.

As detailed below, Kapi‘olani Community College will carry out the Policy in such a way that: (i) is consistent with Kapi‘olani Community College’s policies and transparent to both the Reporting Party and the Responding Party; (ii) includes timely notice of meetings at which the Reporting Party or Responding Party, or both, may be present; and (iii) provides timely and equal access to the Reporting Party, the Responding Party, and appropriate officials to any information that will be used during informal and formal disciplinary meetings.

In order to file a disciplinary proceeding for a dating violence, domestic violence, sexual assault, and/or stalking claim, an accuser may file a complaint online at [https://report.system.hawaii.edu/student](https://report.system.hawaii.edu/student). Kapi‘olani Community College’s Title IX Coordinator or Confidential Resources are available to assist individuals with filing a complaint.
Kapiʻolani Community College’s Title IX Coordinator, Deputy Title IX Coordinators and/or Confidential Resources will assist Reporting and Responding Parties with their options and accessing resources. One option includes moving forward with a College resolution through formal or informal proceedings, which can be concurrent. All resolutions are carried out by individuals who do not have a conflict of interest or bias for or against the accuser or the accused and who, at a minimum, receive annual training on the issues related to dating violence, domestic violence, sexual assault, and stalking on how to conduct an investigation process that protects the safety of victims and promotes accountability. The resolution process is confidential to the extent possible. Kapiʻolani Community College will protect the confidentiality of all participants, consistent with federal and state law.

If a resolution is not pursued, an initial determination is made about the Reporting Party’s allegations and whether to move forward to a formal investigation. This decision is made by the Title IX Coordinator taking into account the nature of the allegations and the accuser’s wishes. In certain circumstances where the allegations involve a threat to the community based upon the use of weapons, violence, pattern, predation, or threatening conduct by the person being accused, Kapiʻolani Community College may initiate formal proceedings even without a request or agreement from the accusing party. Once formal proceedings are commenced, the Title IX Coordinator will assign investigators or fact-finders to conduct an investigation into the allegations.

An investigative model is used to resolve allegations. Trained investigators will provide an investigation that is prompt, thorough, reliable, equitable, fair, and impartial. They will interview reporting and responding parties and witnesses, and prepare reports with their findings. Information about all the steps in the investigative process is available at www.hawaii.edu/titleix/policy.

Each party may have a union agent or an advisor of their choice accompany them to any meeting or related proceeding to advise them. The following restrictions apply to the participation of these advisors and/or union representatives:

a. The union agent or advisor cannot speak for the Reporting or Responding party nor dictate the line or rationale of questioning;

b. Involved parties, e.g., the Reporting Party, Responding Party, or witnesses, will not be allowed to be present during the interviews of others; and
c. Involved parties cannot question or cross-examine others during the investigatory interviews.

A decision maker will be appointed to review the investigation or fact-finding report, render a decision regarding whether EP 1.204 has been violated, and impose sanctions as appropriate.

Kapi‘olani Community College uses a preponderance of evidence standard. Decision makers consider whether, given the available credible evidence, it is more likely than not that a violation of EP 1.204 occurred.

The parties will be simultaneously informed, in writing, of the outcome of the investigation. This notice will include the procedures for appealing the decision, any change to the results that occurs prior to the time that such results become final, and when results are considered to be final.

Both parties are informed in writing that they have equal rights to an impartial appeal and the procedures associated with the appeal. During the appeal process, all imposed restrictions and interim measures and disciplinary sanctions will remain in place pending the outcome of the appeal. Both parties will be simultaneously notified, in writing, of the outcome of the appeal.

If it is determined that a student violated EP 1.204, sanctions include warning; disciplinary probation; suspension; suspension with conditions; withholding of degree; expulsion/discharge; censure; university housing restrictions; restrictions of access to space, resources, and activities; and Decision Maker imposed other sanctions.

If it is determined that an employee violated EP 1.204, sanctions or appropriate administrative actions may be imposed in accordance with applicable collective bargaining agreements, and can include disciplinary action, up to and including recommending termination. Sanctions include oral reprimands, written reprimands, suspensions, demotions, or discharge, if authorized by the applicable collective bargaining agreement, when applicable.

Interim Measures are services, accommodations, or other assistance that Kapi‘olani Community College puts in place on a temporary basis after receiving notice of a
Complaint and before any outcomes - investigatory, disciplinary, or remedial – have been determined.

Kapiʻolani Community College may provide Interim Measures regardless of whether there is formal disciplinary action. Appropriate Interim Measures shall be available throughout all phases of an investigation.

Failure to comply with the terms of Interim Measures may be considered a separate violation of the Policy, which may result in a separate investigation, findings, and determination.

**Availability of Written Explanation Rights and Options.** When a student or employee reports to the institution that they have been a victim of dating violence, domestic violence, sexual assault, or stalking, regardless of whether the offense occurred on or off campus, the institution will provide the student or employee with a written explanation of the student or employee’s rights and options. This written explanation includes notification of victims about options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures. This written explanation also includes notification to students and employees about existing resources available for victims within the institution and within the larger community. An electronic copy of this written explanation is available at [http://uhcc.hawaii.edu/titleIX/docs/TitleIXBrochure.pdf](http://uhcc.hawaii.edu/titleIX/docs/TitleIXBrochure.pdf)

**SEX OFFENDER REGISTRY**

In accordance with the Campus Sex Crimes Prevention Act (CSCPA) of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act, the Family Educational Rights and Privacy Act of 1974 (FERPA), and Chapter 846E of the Hawai‘i Revised Statutes, the Hawai‘i Criminal Justice Data Center maintains a central repository of registered sex offenders for the State of Hawai‘i. These laws require institutions of higher education to issue a statement advising the campus community where information concerning registered sex offenders may be obtained. It also requires sex offenders to provide notice of each institution of higher education at which the person is either employed, carries a vocation, or is a student.

A listing of all registered sex offenders in Hawai‘i is available to the general public via an online database at the following website:
ALCOHOL AND DRUG POLICY

Employees and students are not permitted to manufacture, distribute, possess, use, dispense or be under the influence of illegal drugs as prohibited by state and federal law, at College-sponsored or approved events or on school property or in buildings used by the College for education, research and recreational programs. The College expects lawful behavior by employees and students, during their presence on College premises and at College events. Within the constraints of its mission, the College encourages cooperation with law enforcement agencies in enforcing statutes regarding the use of illegal drugs.

The University of Hawai‘i Executive Policy EP 11.201 recognizes that substance abuse is a complex problem that is not easily resolved solely by personal effort and may require professional assistance and/or treatment. Employees and students with substance abuse problems are encouraged to take advantage of available diagnostic, referral, counseling and prevention services. Kapi‘olani Community College has the Employee Assistance Program (EAP) where employees may receive confidential, short-term professional counseling services in accordance with the EAP plan. Kapi‘olani Community College will not excuse misconduct by employees and students whose judgment is impaired due to substance abuse. For more information on

Additional Requirements for Employees Engaged in Federal Contracts and Grants

The Drug–Free Workplace Act of 1988 (Public Law 100–690, Title V, Subtitle D) requires that College employees directly engaged in the performance of work on a federal contract or grant shall abide by this policy as a condition of employment. In addition, such employees shall notify the University within five (5) days of any conviction for a criminal drug statute offense occurring in the workplace. The College is required to notify the federal agency within 10 days of receiving notice of such conviction. In accordance with EP 11.201, the College shall take appropriate corrective action or require the employees to satisfactorily participate in a drug abuse or rehabilitation program.

For all other employees, progressive discipline will be in accordance with the employee’s applicable collective bargaining agreement; possible sanctions may include disciplinary action ranging from a reprimand to termination, and may include suspension without pay, disciplinary reassignment, disciplinary transfer, and demotion.

E. HEALTH RISKS ASSOCIATED WITH SUBSTANCE ABUSE

Kapi‘olani Community College encourages employees and students to be aware of the health risks associated with substance abuse. In general, the health risks related to the abuse of alcohol and other drugs are both direct and indirect. The direct pharmacological effects of substances on the body influence every organ, particularly the brain, liver and cardiovascular system. Death and injury from drug-related accidents, suicide and homicide are some of the indirect health effects. It is estimated by the National Institute of Alcohol Abuse and Alcoholism that annually 88,000 people in the U.S. die from alcohol-related problems alone. Physical effects may be immediate and acute, as in drug overdose, or long-term and chronic, as in alcohol-related liver disease or neurological impairment. For possible effects associated with controlled substances, refer to the Drug Facts at the United States Drug Enforcement Administration website available at https://www.dea.gov/factsheets.

F. DRUG AND ALCOHOL COUNSELING, TREATMENT AND REHABILITATION PROGRAMS

Kapi‘olani Community College encourages employees and students to seek assistance in overcoming drug or alcohol abuse. Early recognition and treatment are important for successful rehabilitation. Students may contact their campus Vice Chancellor for Students for assistance regarding counseling and treatment referral services. Employees may contact their supervisors for assistance and referral services. The State Department of Health has contacts with numerous private agencies to provide a
range of counseling and treatment services. See listing of assistance and treatment services.

**UH SAFE ZONE**

The UH Safe Zone symbol conveys a positive message to the entire University of Hawai’i community—particularly to lesbian, gay, bisexual, transgendered and queer (LGBTQ) students, faculty, and staff. The symbol identifies people, LGBTQ and otherwise, who are non-judgmental and have access to LGBTQ resources, should you need them. Safe Zone participants are not trained counselors but may direct you to a trained counselor who is also a Safe Zone participant. When you see this symbol, know that whatever the attitudes toward LGBTQ people and their allies on campus—here at least is a “Safe zone” or safe place.

For more information, contact the Kapi‘olani CC Student Affairs office.
APPENDIX A

CAMPUS SECURITY AUTHORITIES

Students, faculty, and staff are encouraged to report any criminal offenses within the campus boundaries to the Campus Security Office. As an option, criminal offenses may also be reported to campus officials who are designated as Campus Security Authorities or CSA’s.

The Clery Act defines four groups of individuals and organizations associated with an institution as CSA’s:

- A campus police department or a campus security department of the institution.
- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).
- Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial proceedings.
LISTING OF CAMPUS SECURITY AUTHORITIES

The following is a listing of the College’s CSA’s who are required to immediately notify the Campus Security Office of any crime reported to them or any crime that they may have knowledge of for the purpose of making timely warning reports and the annual statistical disclosure:

APPENDIX B
CRIME PREVENTION AND SAFETY TIPS

Kapiʻolani Community College is firmly committed to providing a safe and secure learning and working environment. Policies and procedures are designed to ensure that every possible precautionary measure is taken to protect persons and property. Please be aware, however, that preventive efforts on your part can effectively reduce your chances of becoming a victim of a crime-related event. Criminals often act when opportunities to commit crimes present themselves. By taking proactive precautions, such opportunities may be minimized. All students and employees are encouraged to be responsible for their own safety and security, as well as for others.

A successful campus safety awareness program needs the cooperation, involvement, and support of all students, faculty, and staff. Please exercise these simple, common sense precautions while on campus:

- Park and walk in lighted areas; use the “buddy system” by walking with others; use the campus escort service.
- Report any suspicious persons or activities; report all incidents no matter how minor; report injuries or damages immediately.
- Be careful when using elevators; exit the elevator if a suspicious person enters the elevator.
- Be sure to lock and secure windows and doors in your office and room; lock your vehicles; secure bicycles; store valuables out of sight of others.
- Never loan keys to anyone; they may be lost, stolen, or duplicated.
- Mark or engrave your belongings; do not leave your belongings/valuables unattended.
- Register your bicycle/moped with the City and County License Registration Department.
- Let someone know that you are working odd hours or will be in the building after normal business hours.
- Familiarize yourself with the locations of telephones, emergency “Code Blue” call boxes, and the Security Office.
- Keep alert; be aware of your surroundings.
- Walk briskly; be aware of anyone walking behind you.
- Have your keys ready when approaching your vehicle so that you can minimize the time to get into your vehicle.
CALL BOX LOCATIONS

There are nine (9) code blue call boxes that are located throughout the campus. If you find that you need immediate assistance and are not in proximity of a call box or do not have the time to locate the call box, please call 911 (HPD) or (808) 734-9900 (Campus Security) immediately. Be ready to provide your location (nearest buildings or landmarks) and a quick summary of the purpose of your call.
