Qualification for Program Entry & Selection Criteria

Qualification is based on a BEST QUALIFIED, FIRST ACCEPTED rating system for (1) grades of completed prerequisites, (2) Accuplacer score of 250+ in the Arithmetic or higher domain or completion of MATH 75X or higher within the last two years (placement into MATH 75x does not meet qualification criteria), (3) completed MICT support courses with grade of “C” or higher (4) amount of relevant work or volunteer experience, (5) and Oral Interview. Students must also submit the following: (6) proof of current AHA BLS Card & (7) First Aid Certification, (8) current Hawaii driver’s license, and (9) official Hawaii traffic abstract. Admitted students must successfully pass a criminal background and drug test. Selection is based on total qualifying scores in rank order from the highest until admission quota is reached.

Applications are located online in the Emergency Medical Technician Program Toolbox located on the KCC website. All prerequisites must be completed by the application deadline.

Students on probation, suspension or having a GPA below 2.0 at KCC are not eligible to apply. Priority selection is given to Hawai‘i State residents; nonresidents will be considered after all qualified residents have been accommodated per Board of Regents Policy 5.211. A grade of “C” or higher must be maintained in all program requirements to continue in the programs. Transfer credit from accredited institutions requires KCC Department and registrar approval.

*Tuition is based on the projected 2020-2021 school years. Tuition schedules are provided here for convenience and do not constitute an official declaration of University of Hawai‘i tuition information. For official tuition schedules please refer to the Executive Policy E6.201. In addition, tuition expenses are based on maximum credits – individual student total could be less if support courses are completed or more if minimum levels of Math and English are not yet met.

*All fees listed above are estimated and maybe subject to change by the University.

**Textbook costs may vary depending on the semester and courses enrolled.

This program does not currently qualify for Federal Financial Aid (FAFSA) at this time, however students can apply for alternative educational loans.
