Pre-Health Preparation and Application Information

Interested students should attend one or more of the mandatory Information Sessions to learn more about the different Health Sciences and EMS programs and their admission requirements. Once qualified for a program interview, applicants must submit a UH System application (if currently enrolled within the UH System) and a KCC Selective Admission Application for the program of interest by the posted deadline. Students on probation or suspension or having a GPA of 0.0 at HCC are not eligible to apply. Priority selection is given to Hawai‘i State residents; nonresidents will be considered after all qualified residents have been accommodated. A grade of “C” or higher must be maintained in all prerequisites, support courses, and program requirements to continue in the programs.

Dental Assisting (IDENT) Program

Dental Assistants work with dentists during examination and treatment of patients. They prepare patients for various procedures, pass and retrieve instruments and materials, operate the high-volume evacuation system, and implement OSHA-recommended infection control procedures. Dental assistants are often responsible for providing follow-up oral health care information to patients.
