

## **Aloha, Nursing Program Applicant!**

Thank you for considering the **Associate in Science Degree in Nursing – Transition for Licensed Practical Nurses Program** (also known as the “LPN-RN Transition Program”) at **Kapi'olani Community College (KCC)** as you continue to advance your career in the nursing field and begin the journey towards completing your nursing education.

### **Pre-Application Advisory:**

The attached nursing application packet contains the “**Kapi'olani CC Admissions Application/Checklist Form**” and **application instructions** for the Kapi'olani CC “LPN-RN Transition Program” **to be offered each Fall Term and each Spring/Summer Term**. Students entering the Kapi'olani CC ADN - Transition for Licensed Practical Nurses Program will have an opportunity to transfer to the UH-Mānoa Bachelor of Science in Nursing (BSN) Program via the UH Statewide Nursing Consortium Curriculum.

Since 2012, the **UH Statewide Nursing Consortium Curriculum** provides a pathway for Kapi'olani CC LPN-RN Transition Program graduates to continue their nursing education in pursuit of a Bachelor of Science in Nursing (BSN) degree at UH-Mānoa. In preparation for the Nursing Consortium Curriculum at Kapi'olani CC, pre-nursing students must complete eleven (11) prerequisite courses by the application deadline, while two (2) co-requisite/support courses may be completed within the Kapi'olani CC LPN-RN Transition program or prior to the application deadline. Please reference the enclosed application form for more information on the prerequisite and co-requisite courses.

Starting in August 2014 and thereafter, the **NURS 212 – Pathophysiology course must be completed as a prerequisite course for the Kapi'olani CC LPN-RN Transition Program**. In order to enroll in the NURS 212 course, interested students must complete all of the prerequisite courses for the LPN-RN Transition Program and possess a Hawai'i Practical Nursing License.

To ensure that your application is completed properly, thus enabling the Kapi'olani CC Nursing Department to consider your application, **please be sure to read and follow all of the instructions within the application packet**. If an error is made by you or if an item is left blank by you within your application, the Kapi'olani CC Nursing Department will not be responsible for correcting the error such that your application may be deemed incomplete or may not be reviewed accordingly.

**If an item is left blank or a supporting application document (i.e., STAR Academic Transcript or ATI-TEAS Exam score report) is not attached or if an application instruction is not adhered to, the Kapi'olani CC Nursing Department will deem the application as incomplete.**

### **Admissions Advisory for LPN-RN Transition Program Applicants Only:**

Applicants accepted for the Spring semester may be asked to postpone the start of their LPN-RN Transition Program (i.e., NURS 220 – Health and Illness I) to the subsequent Summer term due to space and instructor availability. Applicants in the Fall semester may be offered an opportunity to start their LPN-RN Transition Program (i.e., NURS 220) in the previous Summer term, if space is available and all applicants for the previous Spring semester have been considered.

Applicants accepted for the LPN-RN Transition Program will also be required to complete a (non-credit) **LPN-RN Transition Bridge Course** in preparation for entry into NURS 220 – Health and Illness I which serves as the first-semester course for the LPN-RN Transition Program. More information on the bridge course is provided upon acceptance into the program.

### **Application Questions:** (per COVID-19 Advisory)

Due to the COVID-19 advisory restricting in-person walk-in advising, if you have any questions regarding your nursing application, please contact the Kapi'olani CC Nursing Department at (808) 734-9305 or [kapnurs@hawaii.edu](mailto:kapnurs@hawaii.edu).

## EXPLANATION FOR ADMISSIONS CHECK LIST (page 2)–Associate Degree in Nursing (ADN/ANURS-TRANS)

### **Item 1 University of Hawai‘i System Application Form (UH SAF)**

If you are new, transferring or returning to Kapi‘olani Community College, you must complete the UH System Application Form. Indicate your major as: **Nursing (Transition Program for LPNs) – Associate in Science Degree**

**NOTE:** Students withdrawing from Kapi‘olani Community College on or after the first day of instruction of the Fall semester may reapply for the program as a continuing student for Spring by indicating on the withdrawal form that they intend to reapply. They may also register for non-nursing courses as a continuing student. Students who do not indicate their intent to return or who withdraw in the Spring semester will be required to apply for readmission by submitting the UH SAF to the Kapi‘olani CC Kekaulike Center by the required application deadline. Students who apply for entry and do not enroll (in non-nursing courses) in the previous semester (i.e. taking a break for one semester) will be required to submit the UH SAF to the Kekaulike Center by the required deadline. All students who withdraw from college are subject to the program requirements in effect at the time of re-entry.

### **Item 2 Assessment Technology Institute – Test of Essential Academic Skills (ATI-TEAS) Exam Score**

**a. Please attach a copy of your ATI-TEAS Individual Performance Profile report with your nursing application. An official copy of your ATI-TEAS Individual Performance Profile report must also be sent by ATI to the Kapi‘olani CC Nursing Department** by the application deadline. (If the TEAS is completed outside of Kapi‘olani CC, you must contact ATI to have your official report sent to Kapi‘olani CC.)

**b.** The minimum acceptable percentile score is 78% (or minimum acceptable scaled score is 460) and the score remains current for 3 years. Applicants may retake the exam every three (3) months. *Effective June 1, 2013, an adjusted individual total score of 65% (or equivalent scaled score) or higher will be considered for admission as part of a pilot study to be conducted by the Kapi‘olani Nursing Department.*

### **Item 3 Prerequisite and Co-requisite Courses**

#### **Completion of Prerequisite Courses:**

**a.** All prerequisite courses must be completed by the deadline of that application period: February 1 (for Fall entrance) and September 1 (for Spring entrance).

**b.** Submit official transcripts from outside of the University of Hawai‘i (UH) System to the Kapi‘olani CC Kekaulike Center by the application deadline. Courses that have already been evaluated and transferred into the UH System may be verified via the UH System Transfer Database: <http://www.hawaii.edu/transferredatabase/>

As such, nursing students are required to complete University-prescribed requirements that involve clinical practice in a University-affiliated health care facility with no substitution allowed. In addition, it is the responsibility of the student to satisfactorily complete affiliated health care facility criminal background checks and drug testing requirements in accordance with procedures and time lines as prescribed by the affiliated health care facility. If a clinical facility does not give permission for a Kapi‘olani CC nursing student to complete his/her clinical practicum in the facility, the nursing student will not be allowed to continue with their clinical assignment and the nursing course. Furthermore, the Nursing Department at Kapi‘olani Community College is not obligated to find an alternative clinical placement for the student. Failure of a student to complete the prescribed clinical practice shall be deemed as not satisfying academic program requirements, such that the student will be required to withdraw from the nursing program.

## **KAPI‘OLANI CC NURSING PROGRAM CAREER LADDER**

## **SELECTION PROCESS**

Selection is made on a BEST QUALIFIED, FIRST ACCEPTED basis. Applicants with the highest scores will be admitted into the LPN-RN Transition program. All qualified applicants will be ranked for admissions based on combined scores of the three areas below. In the event that several students achieve the same ranking, admission will be determined anonymously by random selection.

- ATI-TEAS Exam Adjusted Individual Total Score (or Scaled Score);
- Grade point ratio (GPR) for prerequisite general education courses;
- Number of and grade point ratio (GPR) for co-requisite/support courses;

Applicants with a cumulative grade point ratio (GPR) below 2.0 (who are on probation/suspension at Kapi‘olani Community College) will not be considered for selection or admission to the program. Kapi‘olani Community College is a state-funded institution such that residents of the state of Hawai‘i receive selection priority before qualified non-residents (including military exempt students). Changes to an applicant’s tuition status in terms of changing from non-resident to resident must be completed before the application deadline. Applicants not accepted into the program must reapply and resubmit required information.

## **SATELLITE CAMPUS SITE COHORT**

The Kapi‘olani CC nursing program in its entirety with all complementary support services is offered each Fall and Spring at the Kapi‘olani CC Diamond Head (DH) campus site and the Leeward Community College (LCC) off-campus instructional site based on the availability of instructors. To join the LCC off-campus instructional site cohort, you must first apply to Kapi‘olani CC and be accepted by the Kapi‘olani CC Nursing Department. During the nursing program’s New Student Orientation Session, accepted students will have an opportunity to select their preferred Kapi‘olani CC campus site (Diamond Head or Leeward Community College). After confirming the students’ preferred campus site, and in order to achieve the required number of students at each site, a lottery system will be used by the Nursing Department to randomly assign students to a specific site.

## **ALTERNATE CHOICES AND MULTIPLE APPLICATION POLICIES**

The policies below apply to the nursing programs within Kapi‘olani Community College.
