Group	Academic Affairs Council	
Scope	Start: July, Every third Tuesday of the month End: June	
Vision	The Academic Affairs Council is committed to offering the highest quality education for students to attain their personal learning goal. Our innovative best practices in teaching and learning guarantee that our students are well-prepared for their productive futures. To ensure and maximize student success, education is a collaborative endeavor with shared responsibility across the entire campus	
Mission	The purpose of this council is to make recommendations to the Vice Chancellor for Academic Affairs. The AAC serves as a forum for discussions on the impact of policy, and for problem-solving for operational matters in the areas of instructional activities.	
Objectives	<ol style="list-style-type: none"> 1) Provide high quality educational offerings that meet the needs of our students and workforce employers 2) Analyze and document the results of learning outcomes assessment across all disciplines and programs, and integrate this analysis and documentation into program review and the ARPDs. 	
Values and Principles	Kuleana: sharing a common responsibility to support the future of our students, college, community, land, and sea.	Kūlia: creating meaningful curricula and learning experiences that serve as a foundation for all to stand and move forward.
Committed Resources	Human and financial resources should be committed to ensure objectives can be delivered.
