

Aloha, Nursing Program Applicant!

Thank you for considering the **Associate in Science Degree in Nursing (ADN) Program** at **Kapi'olani Community College (KCC)** as you pursue a career in the nursing field and begin the journey towards completing your nursing education.

Pre-Application Advisory:

The attached nursing application packet contains the "Kapi'olani CC Admissions Application/ Checklist Form" and application instructions for the Kapi'olani CC ADN Programs to be offered each Fall Semester and each Spring Semester. Students entering the Kapi'olani CC ADN Program will have an opportunity to transfer to the UH-Mānoa Bachelor of Science in Nursing (BSN) Program via the UH System-wide Nursing Consortium Curriculum.

Since 2012, the **UH System-wide Nursing Consortium Curriculum** provides a pathway for Kapi'olani CC ADN graduates to continue their nursing education in pursuit of a Bachelor of Science in Nursing (BSN) degree at UH-Mānoa. In preparation for the Nursing Consortium Curriculum at Kapi'olani CC, pre-nursing students must complete ten (10) prerequisite courses by the application deadline, while two (2) co-requisite/support courses may be completed within the Kapi'olani CC ADN program or prior to the application deadline. Please reference the enclosed application form for more information on the prerequisite and co-requisite courses.

To ensure that your application is completed properly, thus enabling the Kapi'olani CC Nursing Department to consider your application, please be sure to read and follow all of the instructions within the application packet. If an error is made by you or if an item is left blank by you within your application, the Kapi'olani CC Nursing Department will not be responsible for correcting the error such that your application may be deemed incomplete or may not be reviewed accordingly.

If an item is left blank or a supporting application document (e.g., STAR Academic Transcript or ATI-TEAS Individual Performance Profile Report) is not attached or if an application instruction is not adhered to, the Kapi'olani CC Nursing Department will deem the application as incomplete.

Application Questions: (per COVID-19 Advisory)

Due to the COVID-19 advisory restricting in-person walk-in advising, if you have any questions regarding your nursing application, please contact the Kapi'olani CC Nursing Department at (808) 734-9305 or kapnurs@hawaii.edu.

An Equal Opportunity/Affirmative Action Institution

Aloha, Nursing Program Applicant!

Thank you for considering the Associate in Science Degree in Nursing (ADN) Program at Kapi'olani Community College (KCC) as you pursue a career in the nursing field and begin the journey towards completing your nursing education.

Academic Transcript Process: If you've completed any of the ADN prerequisite and co-requisite courses through coursework completed outside of the University of Hawai'i (UH) System, please be sure to complete the procedures below as part of your application to the ADN program.

- For college coursework completed outside of the UH System, please have official academic transcripts sent from your previous college (s) to the Kapi olani CC Kekaulike Center for Admissions, Records, Graduation & Financial Aid by the application deadline. In addition, please attach a student copy of all your college coursework (i.e., academic transcripts) to your nursing **application.** This will enable the Kapi'olani CC Nursing Department to expedite the review of your application.
- For verification of chemistry completed in high school, please have official academic transcripts sent from your high school to the Kapi'olani CC Kekaulike Center by the application deadline. In addition, please attach a student copy of your high school transcript to your nursing application. This will enable the Kapi'olani CC Nursing Department to expedite the review of your application. (Note: If you completed one semester of any college-level chemistry course, you do not have to submit a high school academic transcript.)

ATI Test of Essential Academic Skills (ATI-TEAS) Exam Process: Please attach a student copy of your ATI-TEAS Exam Individual Performance Profile report to your nursing application regardless of whether or not you completed the ATI-TEAS exam at KCC or another institution/agency. This will enable the Nursing Department to expedite the review of your application.

If you did not complete the ATI-TEAS exam at Kapi olani CC, and for verification of your TEAS exam adjusted individual total score, please contact ATI to have an official ATI-TEAS Individual Performance Profile Report sent to the KCC Nursing Department by the application deadline. If the Kapi'olani CC Nursing Department does not receive an official ATI-TEAS exam report directly from ATI by the application deadline, your application will be deemed incomplete.

MyPlan for the Nursing Program: On a separate sheet of paper, please describe how you will prepare for the nursing program by addressing each item below. At the top of the document, please use the title "MyPlan for the Nursing Program" and indicate your name. The MyPlan document should address how you will ensure the following:

- Approximately 25-30 hours of study time per week;
- •Reliable transportation in preparation for your clinical practicum;
- •Reliable child care to adhere to program schedule;

- •Reliable computer access and proficient computer skills;
- •Financial resources to pay for tuition/fees and books each semester; •Able to take care of your health to complete program requirements;
 - •Able to **balance commitments** to school, family and work.

Application Advisory: The MyPlan essay will not be scored or used to rank applicants, but will be used for informational purposes to determine the applicant's readiness for the rigors of the nursing program. There is no minimum or maximum words for the essay as each applicant may determine the length and quality of his/her essay. Please attach your MyPlan essay to your application.

Application Notification Requirement (via U.S. Postal Service): In order for your notification letter to be sent to you by mail, you must attach a self-addressed, stamped envelope with your nursing program application. The envelope (measuring 9 ½ inches by 4 inches) should have your current mailing address with the appropriate postage (e.g., USPS "Forever" stamp) on the envelope.

On the envelope, your mailing address should be typed or handwritten with legible print. The Nursing Department will not be responsible for notification letters that are delayed or not mailed accordingly by the U.S. Postal Service due to incorrect or illegible mailing addresses as printed on the envelope.

Application Questions: Please be sure to complete the above application instructions. If the instructions are not completed, your application may be deemed incomplete or may not be reviewed accordingly. For questions regarding the completion of the application, please contact the Nursing Department at (808) 734-9305 or kapnurs@hawaii.edu.

EXPLANATION FOR ADMISSIONS CHECK LIST (page 2)—Associate Degree in Nursing (ADN/ANURS)

Item 1 University of Hawai'i System Application Form (UH SAF)

If you are new, transferring or returning to Kapi olani Community College, you must complete the UH System Application Form. Indicate your major as: Nursing – Associate in Science Degree.

NOTE: Students withdrawing from Kapi'olani Community College on or after the first day of instruction of the <u>Fall</u> semester may reapply for the program as a continuing student for Spring by indicating on the withdrawal form that they intend to reapply. They may also register for non-nursing courses as a continuing student. Students who do not indicate their intent to return or who withdraw in the Spring semester will be required to apply for readmission by submitting the UH SAF to the Kapi'olani CC Kekaulike Center by the required application deadline. Students who apply for entry and do not enroll (in non-nursing courses) in the previous semester (i.e. taking a break for one semester) will be required to submit the UH SAF to the Kekaulike Center by the required deadline. All students who withdraw from college are subject to the program requirements in effect at the time of re-entry.

Item 2 Assessment Technology Institute – Test of Essential Academic Skills (ATI-TEAS) Exam Score

- a. Please attach a copy of your ATI-TEAS Individual Performance Profile report with your nursing application. An official ATI-TEAS Individual Performance Profile report must also be sent by ATI to the Kapi'olani CC Nursing Department by the application deadline. (If the TEAS exam is completed outside of Kapi olani CC, you must contact ATI to have your official exam report sent to Kapi olani CC.)
- The minimum acceptable percentile score is 78% (or minimum acceptable scaled score is 460) and the score remains current for 3 years. Applicants may retake the exam every three (3) months. Effective June 1, 2013, an adjusted individual total score of 65% (or equivalent scaled score) or higher will be considered for admission as part of a pilot study to be conducted by the Kapi olani CC Nursing Department.

Item 3 Prerequisite and Co-requisite Courses

Completion of Prerequisite Courses:

- a. All prerequisite courses must be completed by the deadline of that application period: February 1 (for Fall entrance) and September 1 (for Spring entrance).
- b. Submit official transcripts from outside of the University of Hawai'i (UH) System to the Kapi'olani CC Kekaulike Center by the application deadline. Courses that have already been evaluated and transferred into the UH System may be verified via the UH System Transfer Database: http://www.hawaii.edu/transferdatabase/
- **c.** All courses must be completed with a grade of "C" or higher.
- d. Effective March 2012 and thereafter, time limits will no longer be imposed on any prerequisite (and co-requisite) courses.
- e. Courses must be taken on an "A-F" grade basis except for credit-by-examination for which a "CR may be accepted. Pass/Fail is accepted only if the institution uses Pass/Fail exclusively for their grading system. Courses with no letter grade will be assigned a "C" grade for admissions and ranking purposes, depending on the institution's grading system which describes the grade equivalent for
- f. Students with less than a 2.5 cumulative grade point ratio (GPR) for pre-requisite courses and co-requisite courses are not considered for admission.

Completion of Co-requisite/Support Courses:

Co-requisite/support courses may be completed before applying to the program or after being accepted into the ADN program. The same policies as referenced above in Item 3 b-f (for prerequisite courses) will apply to the co-requisite/support courses.

Item 4 STAR Academic Transcript: To access and print out your STAR academic transcripts, please follow the steps below.

- a. Access your MyUH Portal at https://myuh.hawaii.edu/cp/home/displaylogin (and enter your username and password);
- b. Click to "STAR Degree Check Transcript" (located within the left-side column);
- c. Click to "Transcript" Tab (located at the top);
- d. When "Choosing Type of Transcript You Would Like," select "All Campuses and Degree Levels" (from pull-down menu).
- e. Click to "Combination Transcripts By Semester" located at the bottom of the page;
- f. After accessing your STAR transcript, click the "Print" button (located next to the "PDF" button) to print out your transcript;
- g. After downloading a hard copy of your STAR transcript, please use yellow highlighting pen to delineate ADN prerequisite and co-requisite courses completed.
- h. If you are not able to print out your STAR academic transcript (after being out of the UH System for over a year), please contact the Nursing Department counselors for assistance with downloading a copy of your STAR academic transcript.

Item 5 College Transcripts and Transfer Credit Evaluation

- a. For required courses completed at a campus outside of the University of Hawai'i (UH) System, you must have official transcripts sent directly to the Kapi'olani CC Kekaulike Center; after which you must submit a Transcript Evaluation Request form to the KISC in order to have these courses formally evaluated. To be considered for transfer, a course description must accompany each course taken outside of the UH system.
- b. For required courses completed outside the UH System and which were evaluated by UH System schools (other than Kapi olani Community College), these courses will also need to be evaluated by the Kapi'olani CC Kekaulike Center
- c. For required courses completed at a campus within the UH System, you do not have to have transcripts sent to the Kekaulike Center, nor will you need to complete a Transcript Evaluation Request Form since course credits completed within the UH System will automatically be evaluated and transferred accordingly.
- d. The transcript evaluation process is required after acceptance into the Kapi'olani CC ADN program, but is not required as part of the application to the Kapi'olani CC ADN program. 3

Item 6 High School Transcripts: High School transcript is required only if the chemistry prerequisite was satisfied in high school. An official transcript should be sent to the Kapi olani CC Kekaulike Center in order to verify the completion of one year of high school chemistry. Please attach a student copy of your high school transcript to your application.

Item 7 Health-Related Work Experience or Training: Additional consideration will be given for those applicants completing health-related work experience or training prior to application. The letter of reference should document the applicant's direct patient care experience in a health-related field as evidenced by completion of a training program, work experience or physician verification of care giving experience. Official academic transcripts or a copy of certification should be submitted to document the applicant's completion of a training program.

Item 8 MyPlan for the Nursing Program: On a separate sheet of paper, please describe how you will prepare for the rigors of the nursing program. At the top of the document, please use the title "MyPlan for the Nursing Program" and indicate your name. The MyPlan document should address how you will ensure the following: 25-30 hours of study per week; financial resources to pay for tuition/fees/books; reliable transportation for clinical practicum; reliable child care; reliable computer access and proficient computer skills; ability to take care of health to complete program requirements; and ability to balance commitments to school, family and work.

Application Advisory: The MyPlan essay will not be scored or used to rank applicants, but will be used for informational purposes to determine the applicant's readiness for the rigors of the nursing program. There is no minimum or maximum words for the essay as each applicant may determine the length and quality of his/her essay. **Please attach your MyPlan essay to your application.**

EXPLANATION FOR ACCEPTANCE – Associate Degree in Nursing (ADN/ ANURS)

A. Minimum Requirements for Acceptance

- 1. All of the pre-requisite courses and completed co-requisite courses must be completed with a "C" grade or higher within the time limitations.
- 2. A cumulative grade point ratio (GPR) of 2.5 for pre-requisite and co-requisite support courses taken (except chemistry) is required. Note: GPR's are not rounded.
- 3. Students with a GPR of less than 2.0 at Kapi'olani Community College will not be considered for admissions for any of the nursing programs until they have a cumulative GPR of 2.0 or higher at Kapi'olani Community College.
- 4. The ATI-Test of Essential Academic Skills (ATI-TEAS) exam must have an adjusted individual total score of 78% (or scaled score of 460) or higher and be taken within the last 3 years. *Effective June 1, 2013, an adjusted individual total score of 65% (or equivalent scaled score) or higher will be considered for admission via a pilot study to be conducted by the Kapi olani CC Nursing Department.*
- 5. All courses transferred to Kapi'olani Community College that have a credit/no credit or pass/fail will be given a grade of "C" for ranking purposes when applying to the nursing program.

B. Acceptance Criteria

- 1. All applicants who have met the minimum requirements are considered for acceptance on a best qualified basis. Applicants are ranked on a point scale based on the following criteria:
- a. GPR for completed pre-requisite and co-requisite support courses;
- b. ATI-Test of Essential Academic Skills adjusted individual total score (or scaled score);
- c. Co-requisite support courses completed by application deadline;
- d. Health-related work experience or training that includes direct patient care experience.
- 2. Applicants are notified of their application status by mail: Mid-May for Fall acceptance and end of October for Spring acceptance.

C. Post-Acceptance Requirements

- 1. **Health Requirements** for Accepted Students: Accepted students will be required to complete a series of health-related requirements and forms as part of their enrollment in the nursing program. More information may be found within the "Nursing Health Requirements" webpage on the Kapi'olani CC website. The health requirements include:
- a. Current certificate for **CPR** for Health Care Providers
- b. Two-step **tuberculosis clearance** (card or physician's report) within the past 12 months.
- c. **Tetanus, Diphteria and Pertussis** (Tdap) vaccination within the past 10 years.
- d. Positive titer blood test for Varicella (chicken pox) after receiving two Varicella vaccinations.
- e. Positive titer blood tests for **Rubeola (Measles)**, **Mumps and Rubella** after receiving two MMR vaccinations.
- f. Positive **Hepatitis B** titer (HbsAb) with signed consent form or 3 Hepatitis immunizations with signed consent form.
- g. Annual seasonal flu vaccinations.
- h. **Physical examination** completed by primary care provider confirming health status and ability to fulfill the technical standards for the nursing program (as described on page 6).
- i. Nursing Dept. Forms: Understanding & Agreement, Medical Consent, Exclusion of Worker's Compensation, Document Release.
- j. Verification of personal **health insurance**.
- 2. Purchase of **Medical Malpractice Liability Insurance**: Accepted students will purchase the Kapi'olani CC medical malpractice liability insurance when they register for their nursing courses and pay for their tuition and related fees.
- 3. **Criminal Background Check and Drug Screening** for Accepted Students: Criminal background check and urine drug screening to be completed via or for the clinical facility. See "Health Care Student Notification" below.

TECHNICAL STANDARDS

In order to familiarize yourself with the physical requirements for students entering a nursing program at Kapi'olani Community College, please review the "Technical Standards for the Department of Nursing Program" on page 6.

HEALTH CARE STUDENT NOTIFICATION

Due to the complex nature of the health care industry, the University-affiliated health care facilities have implemented various rules, policies and procedures that must be met and adhered to by nursing students at Kapi'olani Community College. As such, nursing students are required to complete University-prescribed requirements that involve clinical practice in a University-affiliated health care facility with no substitution allowed. In addition, it is the responsibility of the student to satisfactorily complete affiliated health care facility criminal background checks and drug testing requirements in accordance with procedures and time lines as prescribed by the affiliated health care facility. If a clinical facility does not give permission for a Kapi'olani CC nursing student to complete his/her clinical practicum in the facility, the nursing student will not be allowed to continue with their clinical assignment and the nursing course. Furthermore, the Nursing Department at Kapi'olani Community College is not obligated to find an alternative clinical placement for the student. Failure of a student to complete the prescribed clinical practice shall be deemed as not satisfying academic program requirements, such that the student will be required to withdraw from the nursing program.

KAPI'OLANI CC NURSING PROGRAM CAREER LADDER

A career ladder model is incorporated into the ADN program to enable ADN students to acquire skills to become a nurse aide as well as obtain training and licensure to become a registered nurse. After completing the first semester, students acquire skills to become a nurse aide. The ADN Program prepares graduates for the NCLEX-RN exam and to perform as entry-level registered nurses. ADN graduates may also continue to pursue the Bachelor's of Science in Nursing (BSN) at UH-Mānoa or UH-Hilo after completing the preadmissions course requirements.

SELECTION PROCESS

Selection is made on a BEST QUALIFIED, FIRST ACCEPTED basis. Applicants with the highest scores will be admitted into the ADN program. All qualified applicants will be ranked for admissions based on combined scores of the four areas below. In the event that several students achieve the same ranking, admission will be determined anonymously by random selection.

- ATI-TEAS Exam Adjusted Individual Total Score (or Scaled Score);
- Grade point ratio (GPR) for prerequisite general education courses;
- Number of and grade point ratio (GPR) for co-requisite/support courses;
- Health-related work experience or training that includes direct patient care experience.

Applicants with a cumulative grade point ratio (GPR) below 2.0 (who are on probation/suspension at Kapi'olani Community College) will not be considered for selection or admission to the program. Kapi'olani Community College is a state-funded institution such that residents of the state of Hawai'i receive selection priority before qualified non-residents (including military exempt students). Changes to an applicant's tuition status in terms of changing from non-resident to resident must be completed before the application deadline. Applicants not accepted into the program must reapply and resubmit required information.

OFF CAMPUS SITE INSTRUCTIONAL SITE COHORT

The Kapi'olani CC ADN program in its entirety with all complementary support services is offered each Fall and Spring at the Kapi'olani CC Diamond Head (DH) campus site and the Leeward Community College (LCC) off-campus instructional site based on the availability of instructors. To join the LCC off-campus instructional site cohort, you must first apply to Kapi'olani CC and be accepted by the Kapi'olani CC Nursing Department. During the ADN New Student Orientation Session, accepted students will have an opportunity to select their preferred Kapi'olani CC campus site (Diamond Head or Leeward Community College). After confirming the students' preferred campus site, and in order to achieve the required number of students at each site, a lottery system will be used by the Nursing Department to randomly assign students to a specific site.

ALTERNATE CHOICES AND MULTIPLE APPLICATION POLICIES

The policies below apply to the nursing programs within Kapi'olani Community College.

- 1. If you do not qualify or if you are not accepted into your first choice (nursing) program, and if you've applied for an alternate choice (nursing program), your application for your alternate choice (nursing program) will be processed accordingly
- 2. Acceptance into another nursing program will be on a "first qualified, first accepted basis" (as with the Nurse Aide Program and Adult Residential Care Home Operator Program) or on a "best qualified, first accepted basis" (as with the ADN, LPN-RN Transition and Practical Nursing Program). If you are interested in another nursing program (as an alternate choice), your application to the alternate nursing program will be considered only until after your application for the initial nursing program is denied. Please contact the Nursing Department to obtain the application information for other nursing programs
- 3. If you are accepted into and have started a nursing program, you must complete the first nursing program before entering a second nursing program. You will not be able to simultaneously withdraw from the first nursing program to enter a second nursing program
- 4. Health Science Programs: For more information, please contact the Kapi'olani CC Health Science Department at 808.734.9270 or visit the Kapi'olani CC website at http://www.kcc.hawaii.edu/page/programs (and scroll to "Health Education").

Kapi'olani Community College Technical Standards for the Department of Nursing Program

Issue	Standard	Examples
hearing	Ability sufficient to monitor and assess health needs.	Converse with patients and health care professionals; auscultation of BP breath, heart and bowel sounds; respond to paging systems, bells, telephones, and equipment sounds.
