

International Student Academic Achievement Scholarship

The International Student Academic Achievement Scholarship is available to all international students with non-immigrant status who are classified as full-time students at Kapi'olani Community College and are enrolled in a degree-seeking program. Scholarships are awarded based on cumulative GPA scores, which include grades from coursework taken at Kapi'olani Community College as well as any coursework transferred from other institutions.

Eligibility Requirements:

- Be classified as a Kapi'olani CC home campus student
- Be an international student of non-immigrant status
- Be enrolled as a full-time student and in a degree-seeking program
- Have earned minimally 12 credits at Kapi'olani CC

No application is required, and there is no guarantee that funding will consistently be available. Eligible students will be awarded automatically, and the number of awards given will vary depending on the extent of available funds.
