# mahalo!

836 students participated in this fall 2020 survey. That's 13% out of 6,370.

## What we learned...

**Money problems, health concerns, and school workload** are the most stressful factors for students in fall 2020.

Students need **more information** about how a **Health Center** would operate at Kapi'olani CC, including the fee structure.

Although 70% of students have had enough money in the past week for all their meals, **25% have skipped 1-3 meals** and **5% have skipped 4 times or more in the past week** because they didn't have the means to pay for food.

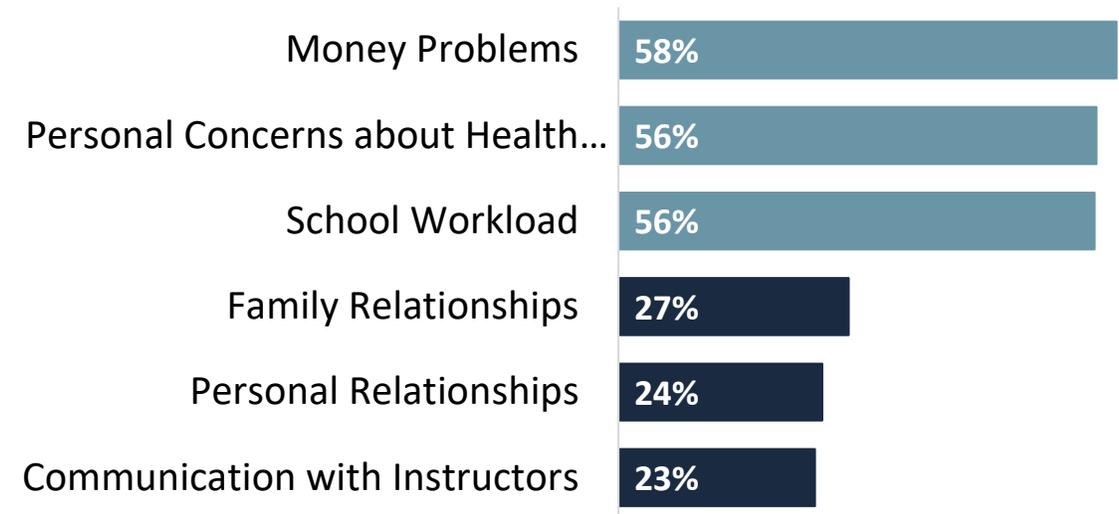

More than **half of the students would donate food** for students in need.

**78% of students are not using campus computers at all.** Future questions should distinguish the needs of online only students, as well as part-time students. 22% of students are using them at least once a week.

**“I feel everything is getting more difficult day by day. The corona cases in Hawaii is increasing and the amount of people who are losing jobs also is increasing.”**

Most students find **money problems, health concerns, and school workload** to be **stressful or extremely stressful** in fall 2020.

Percentage of students show those who answered stressful/extremely stressful when asked “How stressful are the following factors for you as we start the fall semester?”

## Would students pay a mandatory \$20 fee for on-campus access to health services?

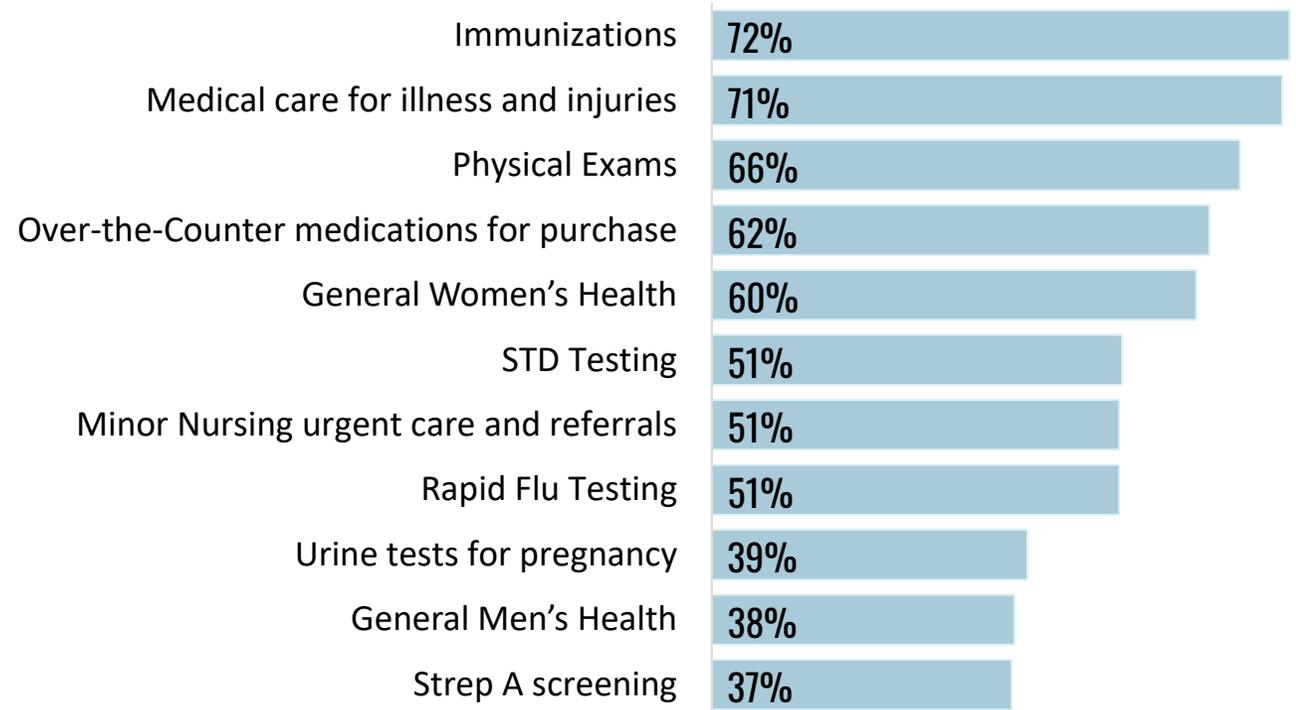

Percentage of student responses when asked the following question: “Would you be willing to pay a \$20 mandatory student fee to have on-campus access to health services, such as immunizations, lab tests, and a general medical clinic?”

**“I am also looking forward to your on-campus health center, in my opinion it will help many students including myself especially if they are afraid to ask their parents to go to the doctor something.”**

**“Health-related project is valuable! Students would be happy and feel safe if they have a place to get basic care, health check, and birth control (like condom, pills etc) with low cost/free. Also, I want the bookstore to sell more kinds of health-related products such as med and female products because for students who come to campus by bus, it is not easy to access drug store while they are on campus.”**

## What services would students use?

Percentage of student responses when asked the following question: “If the campus had a Health Center, which services would you use? (Check all that apply.)” The questions that are gender-specific (e.g. pregnancy tests and general men’s health) naturally have a lower percentage. Although this survey didn’t ask participants to disclose their gender, the campus population is generally 2/3 female and 1/3 male.

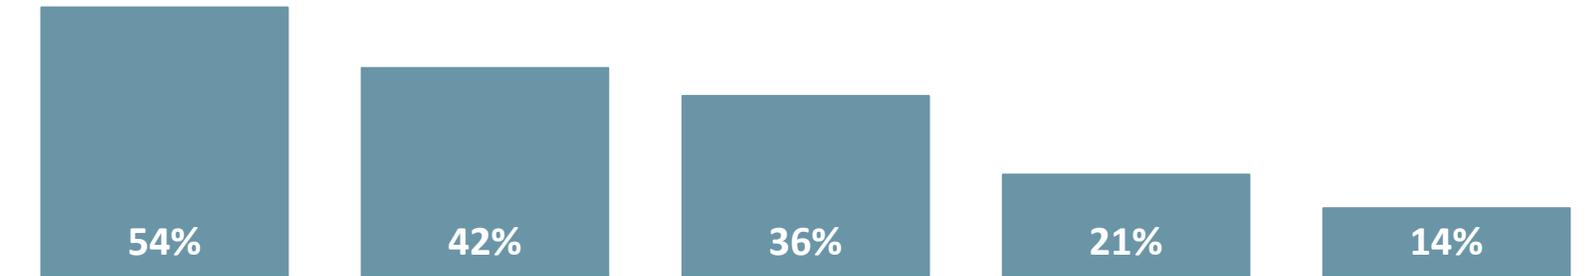

## How many times have students **not eaten a meal in the past week** because they didn't have the means to pay for food?

Percentage of student responses when asked the following question:

“In the past week, how many times have you not eaten a meal because you didn't have the means to pay for food?”

## How would students **contribute** to a campus **food pantry**?

Bring donations of food for students in need    Volunteer an hour per week to help students in need    Make announcements in class or on social media    Bring cash donations or gift cards for students in need    I wouldn't volunteer.

Percentage of student responses when asked the following question:

“How could you contribute to a campus food pantry? (Check all that apply.)”

“Since I do online classes - full-time, I do not need to and won't come to the campus at all especially during Covid-19. I would send by mail - donations of food and money for students in need.”

“I have been to the food pantry in FYE several times to collect as well as donate food. I am looking forward to the changes [ASKSC] can bring to KCC!”

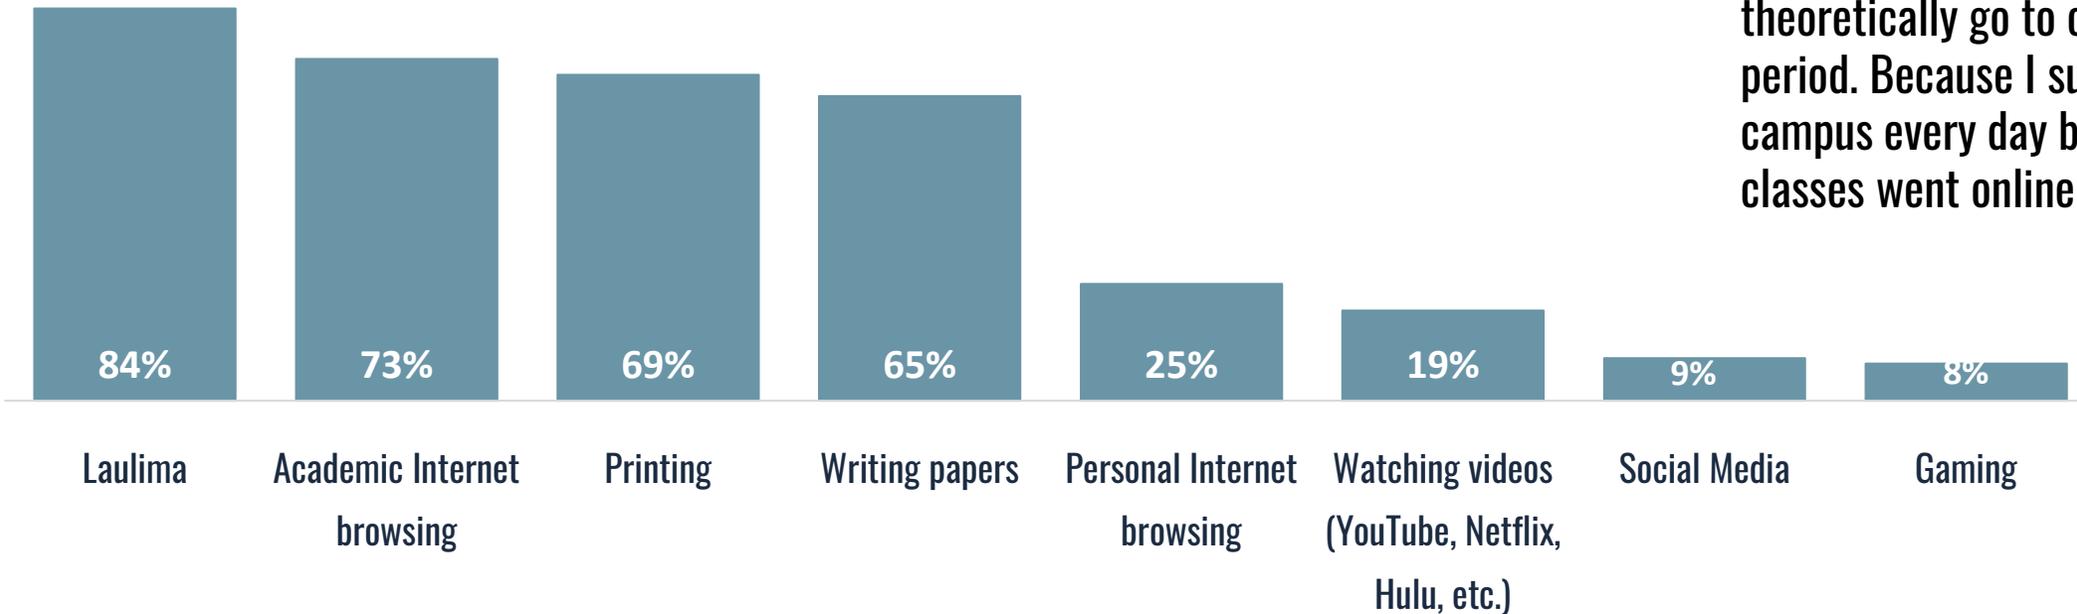

## How many times do students use campus computers on a weekly basis?

Percentage of student responses when asked the following question: “How often do you use campus computers on a weekly basis?”

For the 177 students who answered 1-4 + times, they primarily use the campus computers for the following:

“It was not clear if you were asking for how many times I should theoretically go to campus or in this period. Because I supposed to go on campus every day but now all my classes went online.”

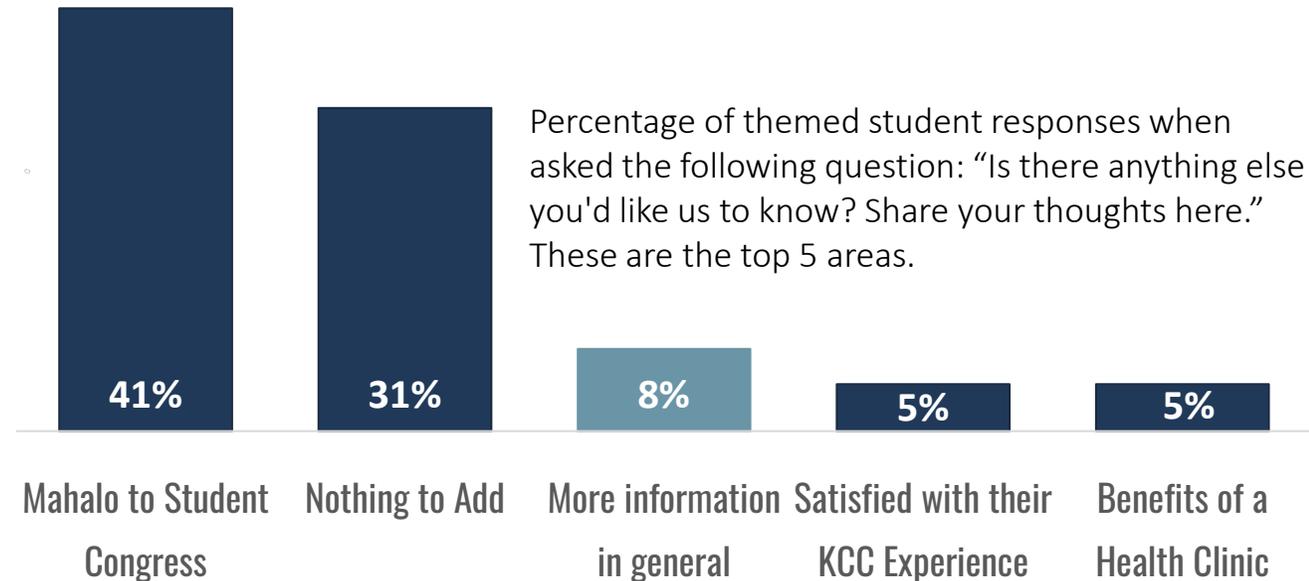

Percentage of student responses when asked the following question: “What do you primarily use the computers for? (Check all that apply.)”

## Students want more information.

8% of the 177 respondents who shared open-ended responses wanted to know more about the following:

- ✓ Financial Support
- ✓ Details about a potential on-campus health clinic
- ✓ Expectations for their online assignments
- ✓ ASKCC and its online presence
- ✓ General COVID-19 guidelines on campus

# Appendix of Detailed Tables

Interested in joining Student Congress or have questions about campus governance? Reach out to Faculty Advisor Shannon Sakaue, EdD [[sks78@hawaii.edu](mailto:sks78@hawaii.edu)].

Questions about the data? Email Analyst Kara Plamann Wagoner [[karapw@hawaii.edu](mailto:karapw@hawaii.edu)] from the Kapi'olani CC Office for Institutional Effectiveness .

## Note

Questions 1-5 asking for candidate support are omitted. As noted on page 2, each candidate received at least 650 “yes” votes. Also omitted are the results from question 13 in which participants shared their email addresses to enter a raffle to receive gift cards.

### Q6. How stressful are the following factors for you as we start the fall semester?

FACTOR	Not Stressful at All		Somewhat Stressful		Stressful		Extremely Stressful		Total
Money Problems	8.92%	71	32.66%	260	28.52%	227	29.90%	238	796
Family Relationships	37.70%	299	35.31%	280	17.02%	135	9.96%	79	793
School Workload	9.18%	73	34.97%	278	34.47%	274	21.38%	170	795
Personal Relationships	40.71%	322	35.40%	280	15.80%	125	8.09%	64	791
Personal Concerns about Health and Safety (e.g. COVID-19)	13.05%	104	30.87%	246	28.11%	224	27.98%	223	797
Communication with Instructors	38.72%	309	38.22%	305	14.91%	119	8.15%	65	798
									Answered 798
									Skipped 38

**Q7. Would you be willing to pay a \$20 mandatory student fee to have on-campus access to health services, such as immunizations, lab tests, and a general medical clinic?**

Answer Choices	Responses (Percent & N)	
Yes	31%	248
No	27%	214
Need more information	42%	334
	Answered	796
	Skipped	40

**Q8. If the campus had a Health Center, which services would you use? (Check all that apply.)**

Answer Choices	Responses (Percent & N)	
Immunizations	71.66%	397
Medical care for illness and injuries	70.76%	392
Physical Exams	65.52%	363
Over-the-Counter medications for purchase	61.73%	342
General Women's Health	60.11%	333
Sexually Transmitted Disease (STD) Testing	50.90%	282
Rapid Flu Testing	50.54%	280
Minor Nursing urgent care and referrals	50.54%	280
Urine tests for pregnancy	39.17%	217
General Men's Health	37.55%	208
Strep A screening	37.18%	206
	Answered	554
	Skipped	282

**Q9. In the past week, how many times have you not eaten a meal because you didn't have the means to pay for food?**

0 times		1 time		2-3 times		4 times or more		Total	
69.46%	530	12.19%	93	13.11%	100	5.24%	40	763	
								Answered	763
								Skipped	73

**Q10. How could you contribute to a campus food pantry? (Check all that apply.)**

Answer Choices	Responses (Percent & N)	
Bring donations of food for students in need	53.59%	410
Volunteer an hour per week to help students in need	41.57%	318
Make announcements in class or on social media	36.08%	276
Bring cash donations or gift cards for students in need	20.52%	157
I wouldn't volunteer.	13.86%	106
	Answered	765
	Skipped	71

### Q11. How often do you use campus computers on a weekly basis?

0 times		1 time		2-3 times		4 times or more		Total	
77.79%	606	8.34%	65	7.70%	60	6.16%	48	779	
								Answered	779 <input type="checkbox"/>
								Skipped	57

### Q12. What do you primarily use the computers for? (Check all that apply.)

Answer Choices	Responses (Percentages & N)	
Laulima	83.62%	148
Academic Internet browsing	72.88%	129
Printing	69.49%	123
Writing papers	64.97%	115
Personal Internet browsing	24.86%	44
Watching videos (YouTube, Netflix, Hulu, etc.)	19.21%	34
Social Media	9.04%	16
Gaming	7.91%	14
	Answered	177
	Skipped	659

**Q14. Is there anything else you'd like us to know? Share your thoughts here. 😊**

201 Answered. 635 Skipped. A single response could have had multiple themes, making the total 210 rather than 201.

Theme	Count (N)
