Program applications are located in the [Physical Therapist Assistant webpage](#). Students must complete all admissions criteria by the application deadline to be fully qualified.

## Co-Requisite Courses

HLTH courses within the PTA curriculum may be taken prior to program entry to lighten your load once admitted. No additional points are awarded on the application for completing co-requisite coursework. It is recommended that all co-requisite courses are taken no earlier than one-year prior to program acceptance. (i.e. If you are admitted Fall 2023, it is recommended your co-requisite courses are taken no *earlier* than Fall 2022.) If students take all co-requisite coursework, they may drop below full-time status which may have an effect on financial aid.
