**Selective Admissions Criteria**

Admissions is based on a BEST QUALIFIED rating system for (a) grades of completed prerequisites, (b) grades of completed support courses, (c) Admissions Assessment (A<sup>2</sup>) scores and (d) mandatory information session within one year of the application deadline. All four items must be complete to be considered fully qualified. Selection is based on total qualifying scores in rank order from the highest until admission quota is reached.

Program applications are located in the [Radiologic Technology webpage](#). Students must complete all admissions criteria by the application deadline to be fully qualified.

Students on probation, suspension or having a GPA below 2.0 at KCC are not eligible for admissions. A grade of "C" or higher must be maintained in all program requirements to continue in the program.

Priority selection is given to Hawai'i State residents; nonresidents will be considered after all qualified residents have been accommodated per [Board of Regents Policy 5.211](#).

**ABOUT THE A<sup>2</sup>**

The Radiologic Technology program is using an online Admissions Assessment (A<sup>2</sup>) from an independent third party (Evolve) as a part of the admissions procedure. All applicants to the program must achieve minimum scores of 75% in the five content areas (Reading Comprehension, Vocabulary and General Knowledge, Grammar, Math, and Anatomy & Physiology) to qualify for admission. The applicant will be awarded points based on their cumulative score on the A<sup>2</sup>.

**For more information about the A<sup>2</sup> please attend an information session.**

\*Current listing of AS elective courses (KapCC AS/AH, AS/SS) are viewable in the college catalog under “College Policies and Regulations” in the section titled, Associate in Science Degree Courses.
