Selective Admissions Criteria

Admissions is based on a BEST QUALIFIED rating system for (a) grades of completed prerequisites, (b) grades of completed support courses, (c) Admissions Assessment (A²) scores and (d) mandatory information session within one year of the application deadline. All four items must be complete to be considered fully qualified. Selection is based on total qualifying scores in rank order from the highest until admission quota is reached.

Program applications are located in the Radiologic Technology webpage. Students must complete all admissions criteria by the application deadline to be fully qualified.

Students on probation, suspension or having a GPA below 2.0 at KCC are not eligible for admissions. A grade of “C” or higher must be maintained in all program requirements to continue in the program.

Priority selection is given to Hawai‘i State residents; nonresidents will be considered after all qualified residents have been accommodated per Board of Regents Policy 5.211.

**ABOUT THE A²**

The Radiologic Technology program is using an online Admissions Assessment (A²) from an independent third party (Evolve) as a part of the admissions procedure. All applicants to the program must achieve minimum scores of 75% in the five content areas (Reading Comprehension, Vocabulary and General Knowledge, Grammar, Math, and Anatomy & Physiology) to qualify for admission. The applicant will be awarded points based on their cumulative score on the A2.

For more information about the A² please attend an information session.

Tuition and all fees listed above are estimated and maybe subject to change by the University. For official tuition schedules please refer to the Executive Policy E6.201. In addition, tuition expenses are based on maximum credits — individual student total could be less if support courses are completed or more if minimum levels of Math and English are not yet met.

Textbook costs may vary depending on the semester and courses enrolled. This program qualifies for Federal Financial Aid (FAFSA).
