#### **QUALIFICATION FOR ADMISSION TO THE RADIOLOGIC TECHNOLOGY PROGRAM:**

Applicants must complete all prerequisites for the Radiologic Technology Program with a "C" grade or higher. In addition, qualifying scores on the Admissions Assessment (A²) are required: Math (75%), English (Reading Comprehension 75%, Vocabulary and General Knowledge 75%, and Grammar 75%), and Anatomy & Physiology (75%).

#### SELECTION PROCESS FOR ADMISSION TO THE RADIOLOGIC TECHNOLOGY PROGRAM:

Selection is based on rank. Applicants receive points for grades for completed prerequisite and support courses and the cumulative score on the A<sup>2</sup>. Applicants are ranked in the following order: Qualified, **State of Hawaii** residency, and total points. In the event of a tie, prerequisite course GPA will be calculated and examined. If this does not provide a clear tie-break, cumulative GPA from all institutions where prerequisite courses were taken will be examined.

#### **APPLICANT CERTIFICATIONS:**

I certify that the answers and responses provided for all of the items on this Admissions Application/Check List are true to the best of my knowledge and belief. I understand that providing incorrect or false information will subject me to the requirements and/or discipline measures as provided under the University's Student Conduct Code. I understand that if I am not accepted into the program of application, I must submit a new application and all required documents for any subsequent semester. I also allow KISC to change my major and home institution if I am accepted into the RAD TECH program. I understand that if I am not accepted into the RAD TECH program, my home institution and major will not change.
