Final exams for Monday only, Tuesday only, Thursday (R) only, Friday only, or Saturday only classes will be given during the spring 2024 final exam week (May 2-10, 2024) at regular class meeting times.

Please note that the exam schedule for classes that meet only on Wednesday evenings, or WR evenings, are not included in this chart. Instructors will need to poll the students enrolled in the class in order to determine when a final exam can be scheduled during the final exam week.

Students should read the exam schedule listed in their syllabus to check for any possible final exam schedule conflicts. If conflicts are found, students will need to (during January 2024) inform your instructor about conflicts.
